The 2009 Talon is proud to dedicate the yearbook to **Coach Nat Stoner**. Coach Stoner has been the head baseball coach and a high school math teacher at Colleton Prep since 2005. We are so fortunate to have him as part of our faculty and coaching staff. He provides the students and athletes here with a very positive and enthusiastic learning environment; learning mathematics never has a dull moment as long as Coach Stoner is involved. He makes learning fun. Not only does he make it easy to pay attention in class, but he also shows the team how to have fun out on the field while winning! Everyone knows a few things about Coach Stoner; first and foremost-- he **LOVES** Guns n Roses and Rhianna! He also uses awkward animal situations to make math problems entertaining. We choose to quote him by saying, "He's a good quality human being!"

The *Talon* staff enjoys the endless hours of selling ads, taking photos, selecting pictures, uploading and scanning pictures, writing copy, and working on www.yearbookavenue.com. Just when they think a layout looks perfect, Mrs. Brown always has to "tweak" it ever so slightly. Journalism students enjoy being a part of this creative group; this is an opportunity for them to express themselves in a way that's exciting and new. We even laugh and have fun doing it! (Occasionally we cry, too.) Please enjoy the 2009 *Talon*; these are your memories!

Maybe Billy Nettes and Shane McDonald really do have a future in rap!

The sophomore ushers, Cameron Breland, Donnie Mescia, Robert Howard, and Cole Hogan await their job descriptions.

Joslyn VonKaemel, Kate Cannon, Ellie Campbell, Abigail Land, and Andrea Singletary showcase their dancing talents.

Katie Osteen and Donnie Mescia are thrilled to be a part of this night they'll remember.

Mrs. Riddle, Mrs. Ellis, and Mr. Ellis enjoy the event and are happy that everyone behaved nicely.

Billy Nettes helps Kenny Kessler adjust his bow tie as the night wears on.

Kirby Walling, Joslyn VonKaemel, and McKenzie Breland laugh at the crazy dancers on the floor.

Our little fisherman has grown up so fast! We are so proud of the young man you have become. High School is now behind you, bringing you to a new path of challenges and promise.

The name "Kirby" means "dwells by the church." As you travel this next path, take the Lord with you, and put Him first in your life, and you will never go wrong. Believe in God, Believe in Yourself, Enjoy Life, and Don't Sweat the Small Stuff!

Remember, we are always here for you, Kirbster.
We Love You, Momma, Daddy, and Matthew

Jeremy,

What a magical star you must have been born under that we would be blessed with a son such as you. You always seem to leave happy hearts and smiling faces in your wake. "Don't ever change."

We are now and have always been very proud of you. Love and Pride can not even come close to begin to express what your Dad and I feel for you. We are so richly blessed with in our lives. You have grown up to become a strong, caring, and generous young man. Continue with your faith in the Lord and He will guide you.

Love, Mom & Dad

In his heart a man plans his course, but the Lord determines his steps. (Proverbs 16:9)

Jeremy,

You have not only been my big brother, but also my best friend and that will never change.

Love,

Joslyn McCraw Von Kaenel

Joslyn,
Independent, self-reliant, loyal, dependable, kind hearted-- these are just a few of the words that come to mind in my every thought of you. I am confident you are ready for the next stage in life and I hope it brings you as much pleasure and joy as you have given me. You are a wonderful daughter and I watch you move on with both tears of happiness and sadness. I will miss you in my everyday life. Continue to do your best in both studies and making decisions, and you will be fine.
I Love You- Mom

Jos,
Congratulations on a job well done! Your hard work and efforts have helped you achieve a major goal in life. Also, Joslyn, the care and concern that you show toward others is an important skill that requires repetition...and practice "delay of gratification" (work first, play later)...You have future challenges. Keep setting your goals and you can achieve what you now only dream of. I am very, very proud of you! As always, you have our support and unconditional love.
**Love ya,
Dad**

Cole

I am going to miss you. I'm taking your room, haha just kidding, but I am going to take your dog.
Love, Dondi
I am really going to take your dog.

Cole,

The time has gone by so quickly. It seems like such a short time ago we were bringing our baby boy home from the hospital, and shortly thereafter you were zooming by on your little battery powered truck and shortly after that your real, real Big Red Truck on the highway making your own choices. You have filled our lives with excitement and joy and we love you so much.

You have always been a leader and have always made responsible decisions. That is why we feel good about the young man you have become. We know you will do well and make the right choices in the future.

It is hard to think about you moving on to the next stage in life, but it would be even harder if you were not the person that you have become.

We are so proud to be your parents and we love you so much. So go for it! Your life has just begun.

Love, Momma & Daddy

Richard Harvey

Richard

On the day you were born, our hearts swelled with joy
As they handed us a blanket filled with our little boy
Those days filled with toys we knew wouldn't last
Our little boy grew into a man so fast
We prayed you would make it through football alive
And prayed we would live as you learned how to drive
A giving heart in a man so kind
A truer friend no one will ever find.
We love you more than you will ever know
It will break our hearts to watch you go
Your life has only just begun
Our Richard, we are so proud of you son.

Dear Richard,

It is so hard to believe that we are actually sitting here writing this letter to you for your senior page. How did time pass so quickly?

It is also hard to believe that it has been almost 18 years since we heard the words, "it's a boy." We were so excited and proud then and feel the same way today.

You were the first Harvey grandson and the reason your Grandma Board survived for five more months. She was so weak when you were born and the doctor said she would not make it out of the hospital this time. However, when she held you for the first time she knew she had to get better and actually left the hospital. We know that all of your Grandparents are very proud of you. Proud of your determination, your courage, and your passion for life.

Your father and I are also proud of the man that you have become. A man of integrity, compassion, discipline and the will to succeed. You are a good friend and a good role model for your little brother. You are a good brother and we know you will always look out for your sister, too.

You have the strength to pursue your dreams and know that you will always make the right decisions and live your life honestly and faithfully.

We know you will always be true to yourself and hope you will find God's grace in every mistake.

We cherish every moment we have had with you and all of the boys. We pray that your friendships will last forever. We have had so much fun with Kenny, Anthony, Billy, Holden and the rest of the boys. It has made life so much fun.

No matter where your life takes you remember always that we love you and will always be here to love and support you. We've always got your back.

We were very blessed on the day you were born. We are the lucky ones. We love you with all of our hearts.

Trey's Story

Trey,

Since the day you were born, you have brought so much love and happiness into our lives. We thank God every day for blessing us with you and your brother, Cal. Watching you grow up to be the young man you are today has been a joy, especially on the many baseball and football fields where you've played, always giving it 100+%! We know how much your knee injury this year has hurt you. We were all looking forward to watching you play football your Senior year, knowing you'd have a great year and, as always, giving it your best. You handled this with such grace and dignity, as you have always handled the ups and downs of your life. We know that soon you will be back on the ballfields, better than ever, with that determination you've always had. Just know that we'll always be there in those stands cheering you on! Continue to hold your head up high, for you have so many talents and accomplishments to be proud of. Although we'll miss you terribly when you go off to college, we know you'll do well and continue to make good decisions in your life. We love you so much and are so proud of you and the man you have become. We'll always be here for you.

Love,

Heaven sent down a tiny angel to capture our hearts and fill our lives with joy. We are so proud to see what a beautiful and extraordinary young woman you have become. You always remember your values of respect, caring and generosity whatever the situation. When life throws you a challenge, you always do your best. We are so very proud of you.

Continue to believe in yourself, always doing your best and surely you will choose paths of success. Remember, you can be anything you want in life. No matter where life takes you, we will be there to stand beside you. We are so BLESSED to have you as our beautiful daughter.

We are so proud of you!

CONGRATULATIONS

Jonathan Hill

Jonathan—
 Where has the time gone? It seems that not so many years ago we were anxiously expecting your arrival. You made quite an entry into the world and into our lives over 18 years ago. This should have been our first sign that you would do anything to get attention. When you were little you were so animated and full of yourself and full of life and brought so much joy to everyone.

You always challenged us. We raised you to first love God, then family and to follow the Golden Rule of "do unto others as you would have them do unto you" and lastly to always do your very best. Always remember the things that we have taught you and you will have much success in God's eyes as well as your family and friends.

The time has come for you to pursue your dreams in the phase of life you are now entering. It is our time to challenge you! Continue to make life fun (like that little boy), exciting and make every day count. We love you very much! Mom and Dad

Dear Tray,
 I can't believe this time has come, you're "almost" grown up. It seems like it was only yesterday that you were still our little Baby Tray. You grew up so fast, only because you were trying to keep up with Cameron and Christopher. Sometimes I think that I had triplets instead of twins. Tray, I am so very proud of you. Just remember to keep your head held high, follow your dreams and don't give up! We love you dearly ____
