Our Dedication Mrs. Sandy Smith

Every yearbook is created by a group of talented and dedicated seniors, and these seniors are led by one very special and caring woman. The Talon staff chose to dedicate their final yearbook to their teacher, Mrs. Sandy Smith. Mrs. Smith, a member of the Warhawk family for five years, has placed a tremendously positive impact on the Class of 2013 and this year's Talon staff. From the *Hawk Talk* to the 2012-2013 Talon, and from computer applications classes to sponsoring the varsity cheerleading squad, Mrs. Smith has walked with this group of seniors every step of the way. Mrs. Smith is loved by the whole CPA student body. Her optimism, warm smile, and dedication helps to make her the inspiring person she is today. Thank you, Mrs. Smith, for making these past four years full of smiles, laughter, and memories we will never forget, but most importantly, thank you for making CPA this place we like to call home. We love you, Mrs. Smith! Don't miss us too much!
Love, YOUR 2012-2013 Talon Staff

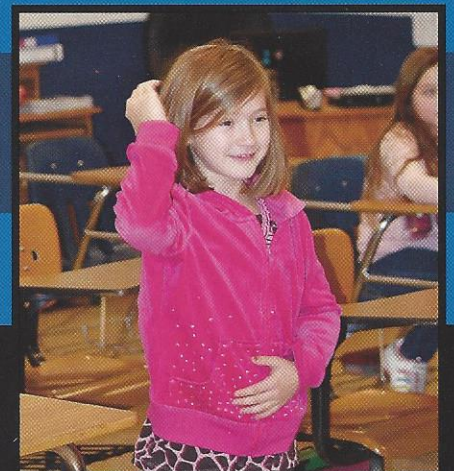

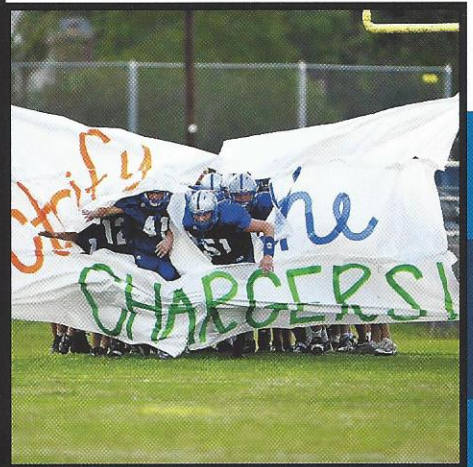

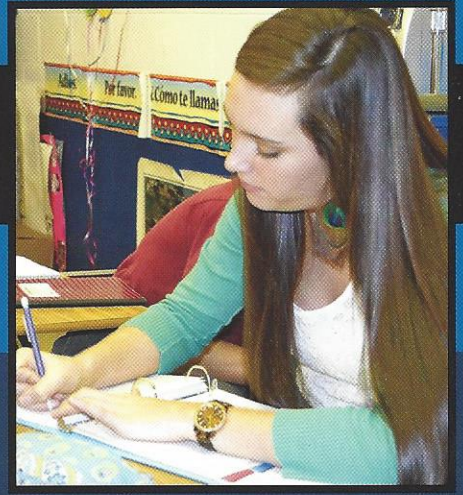

Once a War Hawk...

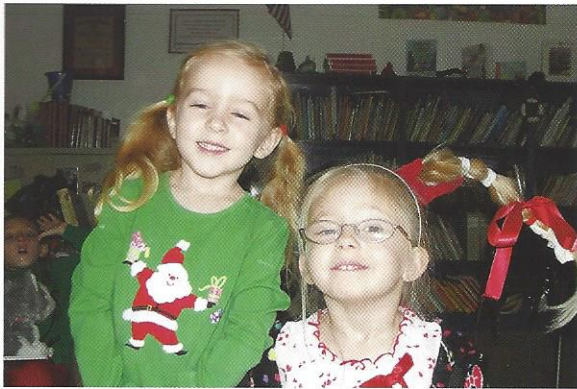

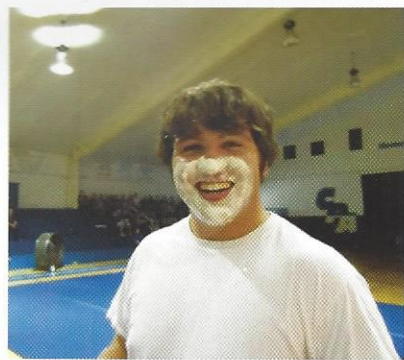

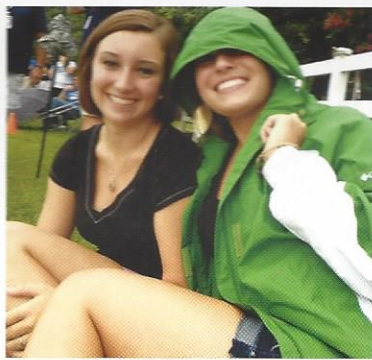

Colleton Prep: two words that are very special to every student, coach, and faculty member at our unique school. CPA is known for its small class sizes, well-rounded student athletes, and 'over-the-top' teachers. Colleton Prep is not just a small private school, but it is also a big family. The mother and father-like faculty members watch over and guide their students as if they were their own children. Colleton Prep excels in academics, athletics, and the overall qualities of a SCISA school.

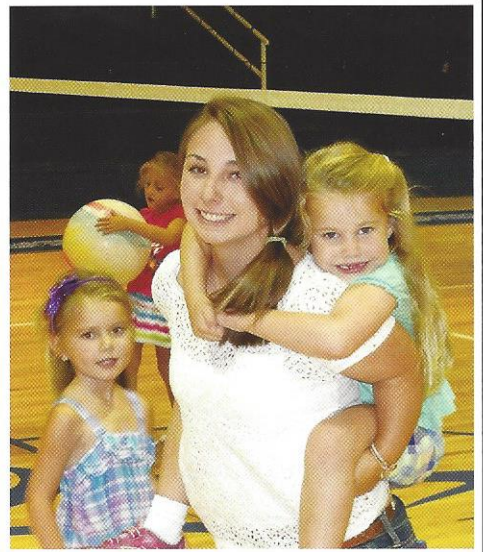

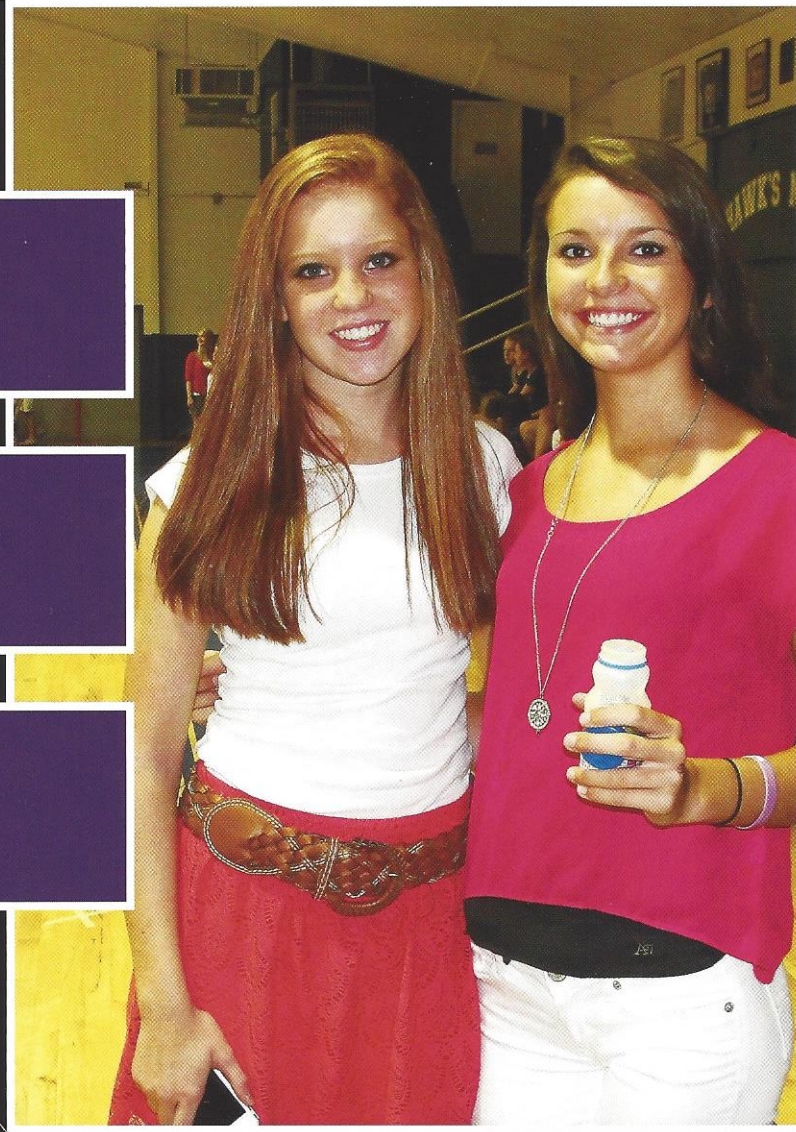

CPA began the school year by working hard to prepare for the arrival of the SCISA Accreditation team. The hard work and dedication was worth while as CPA received a perfect score! Not only did Colleton Prep begin the year excelling in accreditation, but also in sports as the Warhawk football team played deep into the playoffs and the Warhawk cheerleading squad one the SCISA 1A State Championship! These are only a few examples of the excellence that Colleton Prep shows across the board. Academic excellence is among these many positive aspects of Colleton Prep.

This year, Colleton Prep has added college classes in the curriculum of sophomore, junior, and senior students. These early college classes from the University of South Carolina Salkehatchie not only increase students' college preparation, but they also give students a jump start in college with early college credits. Another example of academic excellence is the addition of AP classes that also give students the opportunity to jump start their college education. Colleton Prep has only made positive changes throughout the years and will continue to further these great changes!

Always a War Hawk!

Life

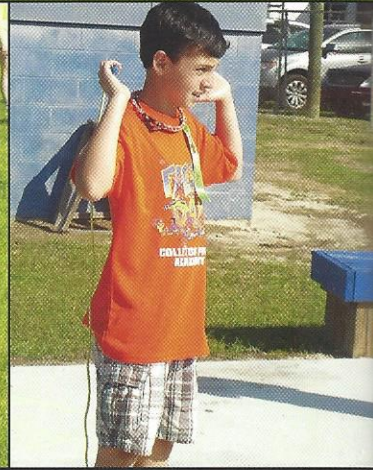

Coming to a close

As the 2011/2012 school year came to a close and students eagerly awaited the arrival of summer; there were still many things happening right here at CPA. In lower school, Field Day is much anticipated and is always a lot of fun. It has become a tradition that the 10th graders help the younger students and coordinate the day. In middle and high school, students are studying for exams, preparing and planning schedules for the next year, attending athletic banquets and academic signings, and most of all getting ready for one of the most memorable days in a high school seniors life...Graduation Day!

Summer

2012

For many students, the first thing on their summer 2012 to-do list was the beach! While Edisto is the local beach of choice, CPA students could also be found sunning on the shores of the ocean, lakes and rivers anywhere from Washington DC to Vero Beach. The beach may be the #1 choice, but that's not all we did over the summer. Many students made a difference by participating in World Changers in Savannah, GA.

Towards the end of summer we all start yearning for War Hawk football. Let's face it, by mid-August we are all ready to hit the books again, and look forward to another exciting year at CPA!

The High School Chorus

On the evening of May 26, 2012, the Colleton Prep gymnasium was filled with twenty-four anxious seniors ready to begin their journey to the near future. The loved ones of the class of 2012 embraced the memories that had been created with the soon to be CPA alumni. The Commencement Address was given by Mr. Keller Kazam. The high school chorus sang *My Wish* and graduate Josh Avant sang *Time of My Life*. The Graduation Marshals were juniors Brittany Griffin, Courtney Kramer, Hannah Syfrett, along with sophomores Kennedy Crosby, Amanda Lemacks, Madelyne Warren, and freshmen Taylor Marsh, Haley Pye, and Alex Sanders. The class of 2012 celebrated this special day with their families, friends, and close-to-heart War Hawk family.

The Graduates celebrate by throwing their caps.

Mr. and Miss Warhawk

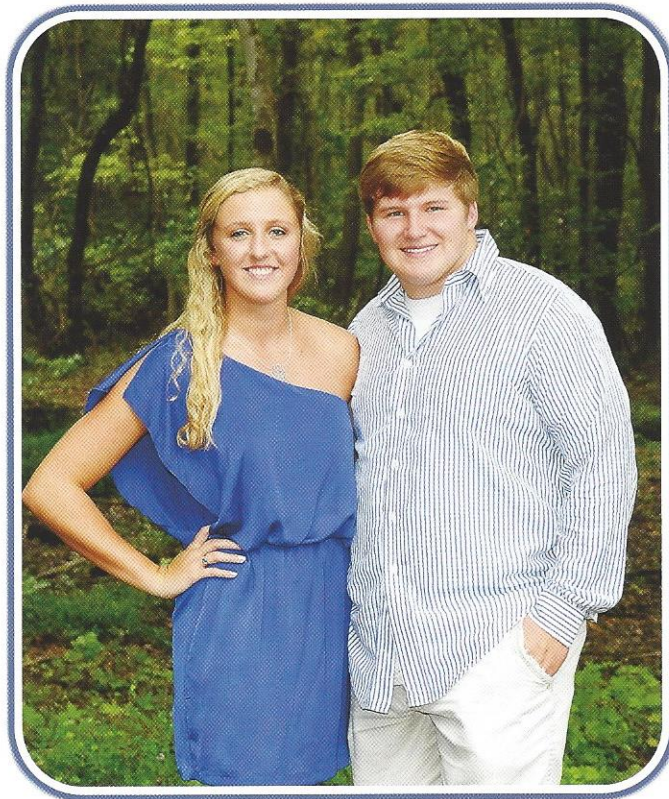

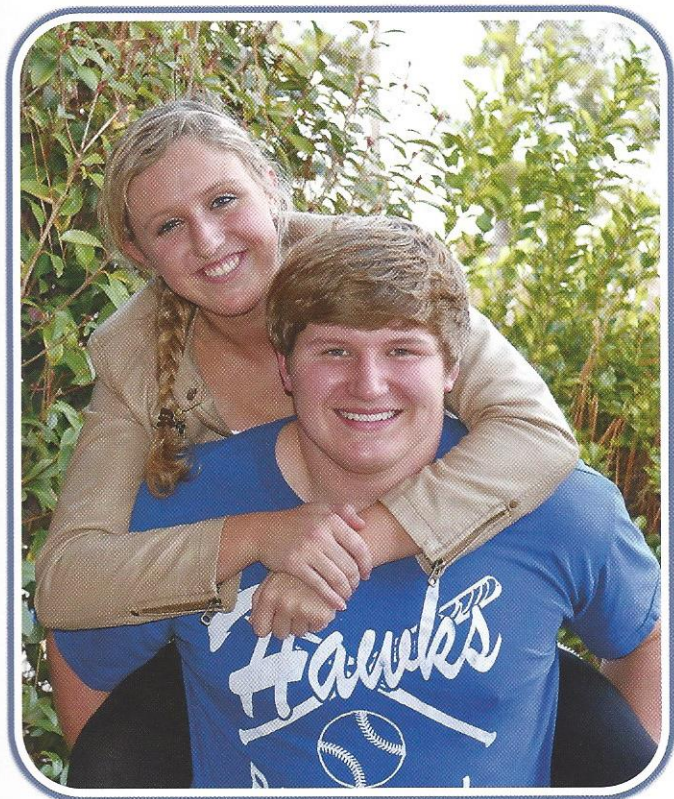

The Colleton Prep faculty and staff vote on Mr. and Miss Warhawk each school year. One senior boy and one senior girl are chosen that have excelled in academics, athletics, and leadership. This year, Coby Martin and Hannah Syfrett were chosen based on their achievements in and out of the classroom.

Coby Martin, the son of Rhonda and Kevin Martin, was chosen for Mr. Warhawk. Coby has attended CPA since Kindergarten. He is a member of both the Varsity football and golf teams for the Warhawks. Coby is a captain of the Varsity football team. He is also the President of the senior class.

Mr. and Miss Talon

Each year, the high school students of Colleton Prep choose one senior boy and one senior girl to represent Mr. and Miss Talon. The high school students vote on two seniors that they feel are well-rounded students and excel in all fields. This year, Heath Fisk and Courtney Kramer were chosen as Mr. and Miss Talon.

Heath Fisk is the son of Beverly and Evrette Fisk. Heath has attended Colleton Prep since the fifth grade. He is a captain on the Varsity football team. Heath plans to attend the University of South Carolina at Beaufort after graduation.

Middle School Academics

The Middle School has shown tremendous work ethic and dedication to their education throughout this school year. They have participated in various science labs, Spanish and Latin labs using Rosetta Stone, Socratic Seminars, and leadership activities.

Education Beyond the Classroom has allowed the 6th, 7th, and 8th grade to venture out and explore their local area as well the entire state. 6th Grade experienced the great outdoors at Camp Kanuga in NC. 7th Grade traveled Clemson and took part in many hands on experiments, while the 8th grade toured numerous historical locations as part of the South Carolina History Curriculum.

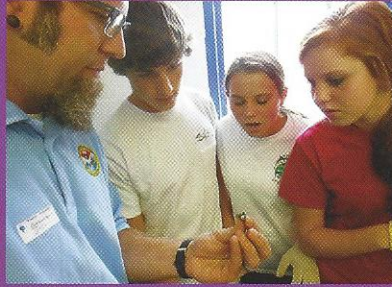

HIGH SCHOOL ACADEMICS

Academics in grades 9-12 have changed and grown tremendously over the past few years. This year we expanded our high school curriculum to include numerous college level classes that are taken through USC-Salkenhatchie. Students have the opportunity in grades 10-12 to earn up to 60 college credits by the time they graduate without ever leaving Walterboro. Science Labs and AP History classes have been added, as well as a growing art and music program. Our academic fair now incorporates not only science, but history as well. Seniors are able to participate in an academic signing at the end of the year where they formally announce their college decision. This is exciting for the seniors, their parents, and the entire student body as they watch their classmates make a commitment to college and know that their CPA family is always there to help and support them.

In the photos below you will see the students in action. Actively participating in projects, science and history fair, and everyday classes. This year the 10th grade class took on a year long project with DNR. Our students also excel outside of the classroom. Numerous students and classes travel on various field trips with their class and those sponsored by the community. Students are excelling and preparing for college everyday at CPA.

In 2012 the high school students experienced their first EBC (Education Beyond the Classroom) trip. EBC trips allow many first hand experiences that students can't achieve in the classroom. They traveled to Charlotte, NC and were able to experience white water rafting, zip lining and rock climbing at the US National White Water Center. The following day the group defied gravity at Carowinds. Not only was this trip fun and exciting, but it was a great opportunity to bond with each other!

The Winter Formal was held on Wednesday, December 19, at the Coastal Electric Outback building. Along with their friends, many CPA students celebrated the end of their tough exams and the beginning of their winter break. The Winter Formal will continue to be an exciting fundraiser for the CPA Student Council.

MUSIC FOR DRAMA

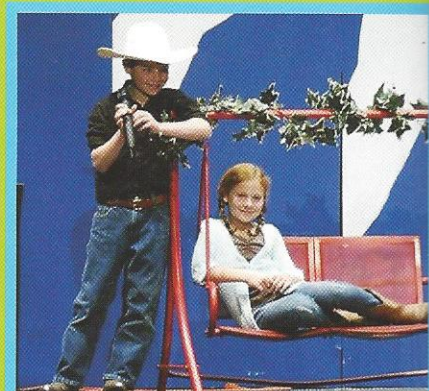

Music and drama at Colleton Prep has evolved over the past two years with the beginning of a tradition known as the "CPA Showcase." The Showcase is held at the Colleton Center on Hampton Street in March. In March 2012, CPA held its second annual Showcase with the theme "Love Is." Many talents ranged from singing to dancing, and piano playing to hula hooping. The CPA Showcase is a tradition that is sure to last for many years to come!

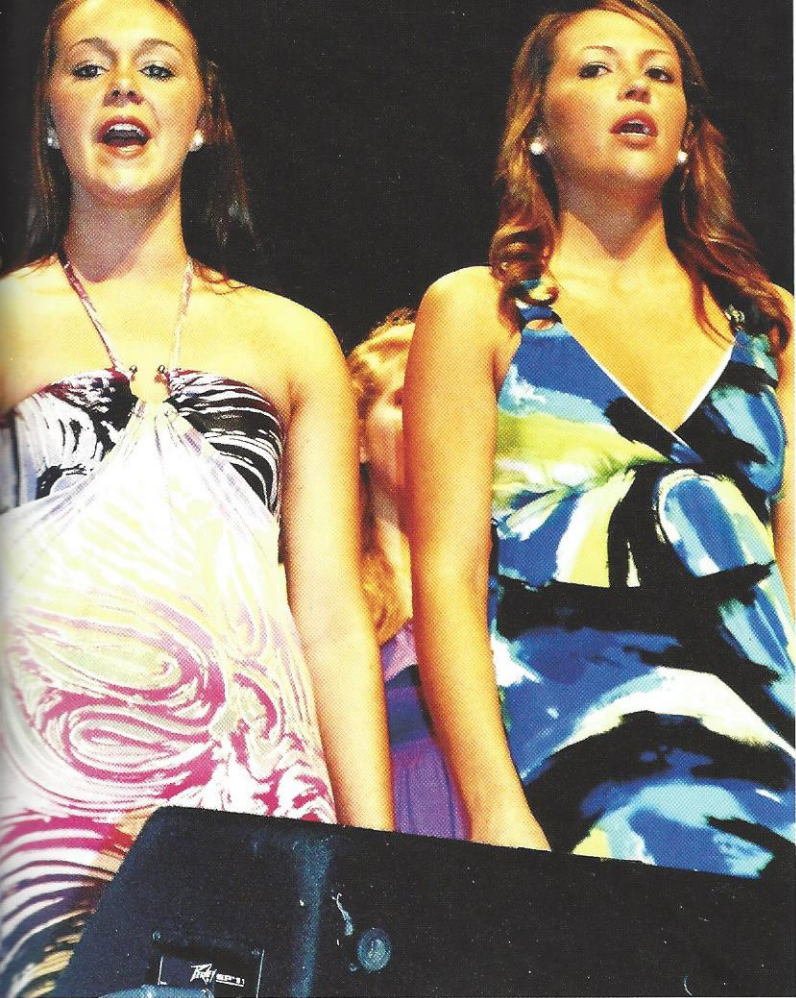

During the 2012 Christmas program Olivia Burns wowed the crowd with her solo, *Grown Up Christmas List*.

Each high school chorus member wore a shirt representing a different country to perform the song *Wavin' Flag*.

We yell, we cheer, we have no fear. The Hawks... ARE HERE!
 CPA Varsity Cheerleading 2012

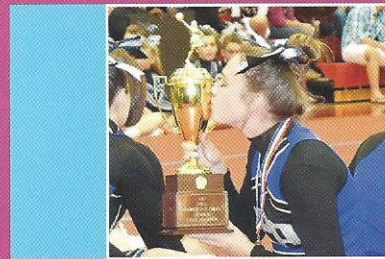

Captain's Corner

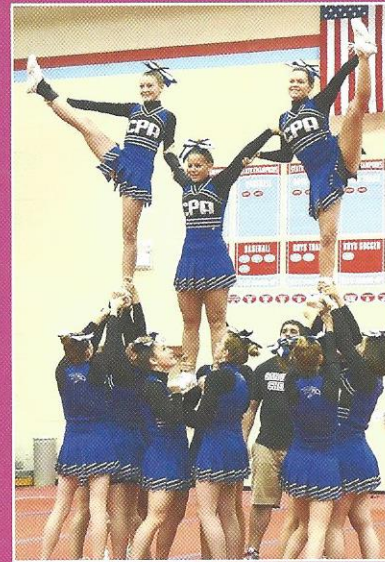

Seniors Courtney Kramer and Hannah Syfrett and junior Laura Reynolds were this year's captains for the varsity cheerleading squad. Captain Hannah Syfrett led the cheerleaders with her two co-captains, Courtney and Laura.

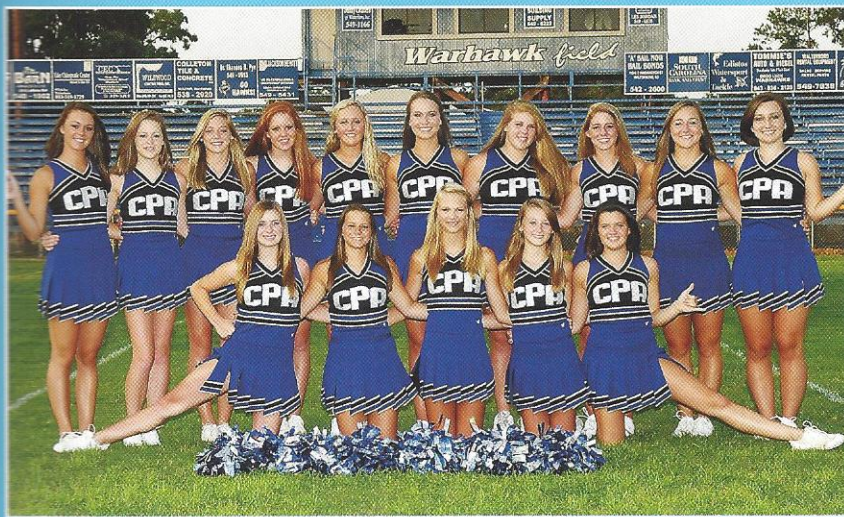

Hannah Syfrett enjoys the sweet taste of the SCISA 1A State victory at A.C. Flora High School on November 2, 2012.

The varsity cheerleaders hit the pyramid section of their state routine while flyers Marla, Taylor, and Cameron pull the final positions with pride! This tough stunt led the girls to a state victory for the first time since 2006 and for the second time in CPA history.

From the first practice on July 16 to the State Competition on November 2, the varsity cheerleaders worked not only for a state title, but also to support the football team and to encourage school spirit. Sean,

The years have passed so quickly. It seems like only yesterday you were our beautiful baby boy and now you're our tall handsome young man! You have brought so much joy and laughter to our lives. Remember to work hard toward your goals in life, continue to be honest and respectful of others, and above all be thankful for all God's blessings He has given you.

We are very proud of you and wish you success in all that you do.

Love,

Mom and Dad

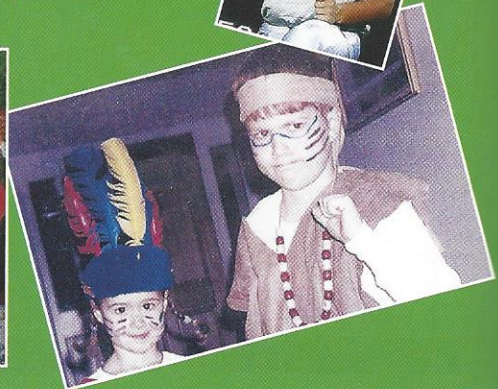

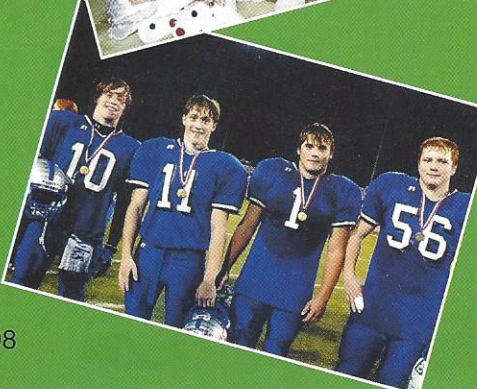

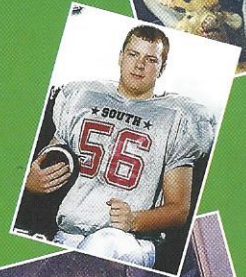

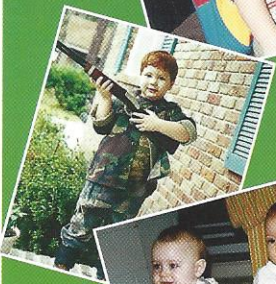

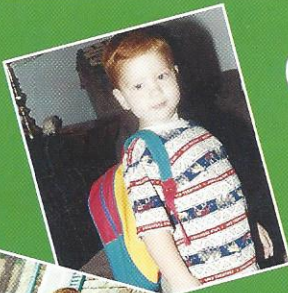

COBY BRYAN MARTIN

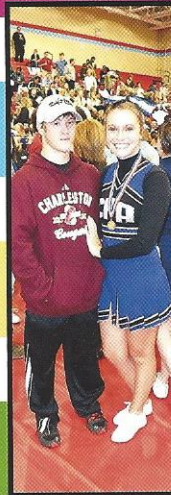

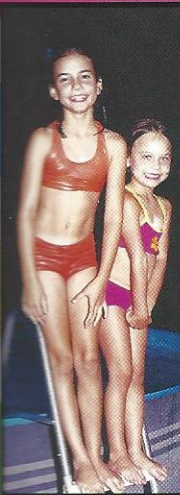

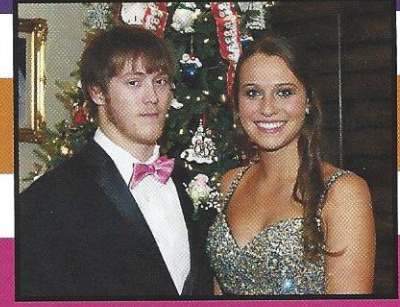

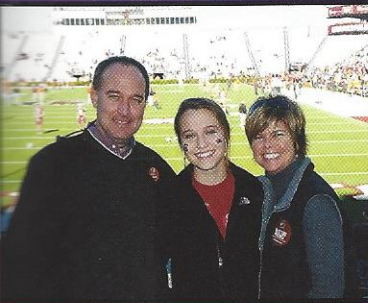

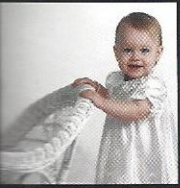

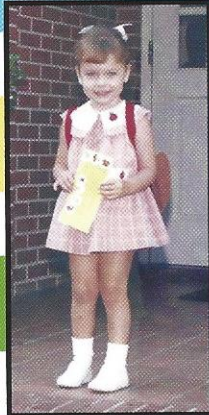

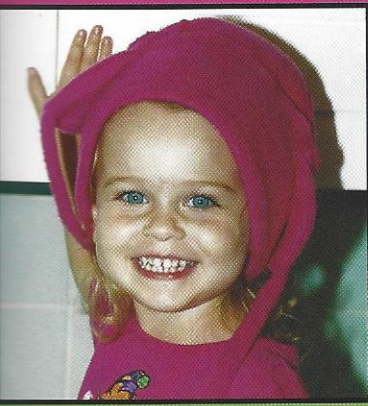

Coby,

We are proud of you and your accomplishments, as we have always been. We have prayed daily for God's hand to be on you, even before you were born. Watching you grow from the little boy in kindergarten with the backpack to the man you have become has been one of the greatest privileges of our lives. You are limited only by your imagination, follow your dreams. Find your passion and run toward it. Laugh and pray often.

Love, Mom, Dad, and Emily

Hannah Renee Syfrett

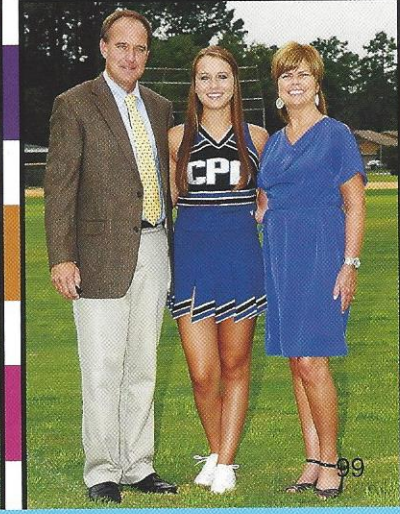

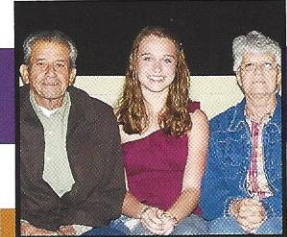

Dearest Hannah,

So many great memories come to mind when thinking back over the last eighteen years. Get me out of here, scoob it, take Chad a bath, playing color in the pool, broken arm, Tee ball-hit somebody in the head, Wee hawks, Softball, injured ankle, Basketball, Cheerleading, Cotillion, Prom, learning to waterski(lol)...there's not enough space here to say how much fun it's been watching you grow up. We're the luckiest parents in the world because you are such a caring and kind hearted young lady. Your love and kindness towards children, animals and your peers will get you where you want to go in life. There will come a time when you will have to make difficult choices and we know you will choose the right ones.

Thank you for being the best thing that has ever happened to us and remember we love you and you always have a place to come home to.

Mom and Dad

Meagan Elise Burns

Meagan,

Where has the time gone? It was only for a short time that we held you in our arms before you were off running, never stopping to ask why or how but instead why not and when. You have continued on that path reaching every goal you've set your mind to and still reaching for more. Over the last seventeen years you have grown into such a beautiful young woman inside and out and we are so proud of you and the person you have become. You never cease to amaze us! Your dad and I could not have asked for a better daughter and I could have not had a better best friend. My heart is full of love and excitement for you as your journey in life begins but yet it is empty at the same time for the little girl who once filled every moment of ours.

Love you always,
Mom and Dad

Dear Sissey,

I want to thank you for being the best sister ever! You are not only my sister but my best friend. I hope you have fun at college and I love you!

Love,
Liv

Dear Meagan,

Life is to laugh often & much; to win the respect of the intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better whether by a healthy child, a garden patch, or a redeemed social condition; to know that one life has breathed easier because you lived here. This is to have succeeded.

We love you,
Me Me and Pa Pa

Brittany Louise Griffin

I cannot even believe the time has come for me to write this, but as I do, I am bursting with pride for the young lady that you have become. You have the biggest heart of anyone I have ever known and your honesty and integrity always blow me away. I could not be more proud of your accomplishments not only in the classroom or the tennis court but in life itself. I have watched you set your goals very high and have already seen you achieve many of them. One of those goals was to be accepted to Furman and as much as I will miss my baby and my best friend...my loss is certainly their gain. They are so blessed to have you!

I once read that children are like kites and that a parent's job is to slowly unwind the string as they begin to soar. One day you realize the string is let out and they are flying free. And so today, it seems that I am hanging on to the very end of the string. My baby girl will graduate this year, but I promise you, I will always be in arms reach of that string!! I love you with all my heart my Angel Baby and just remember, this is not the end...only the beginning!! My prayer is that all your dreams come true!!!

Always,
Your Mommy

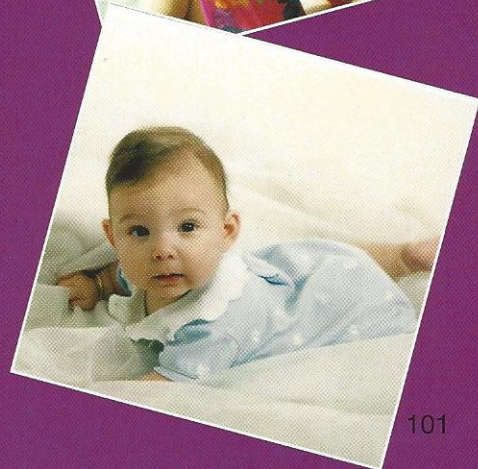

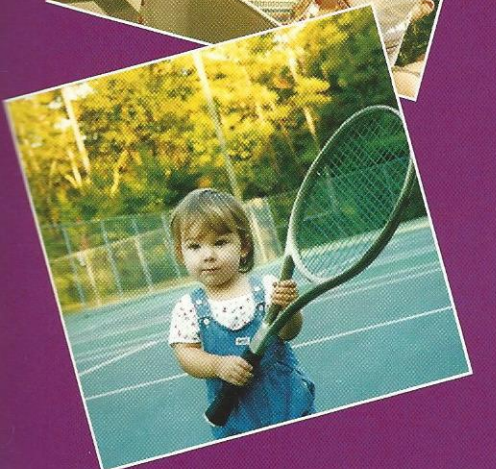

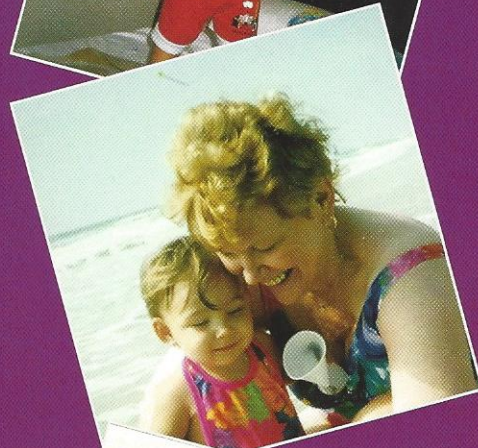

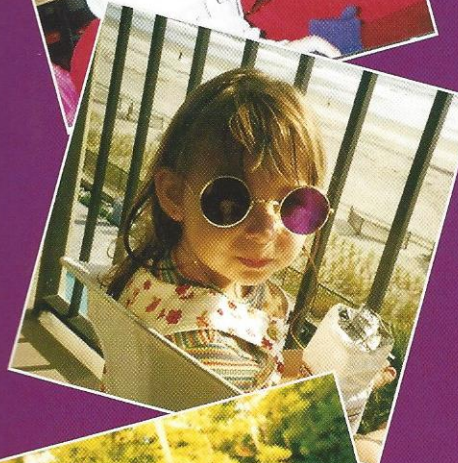

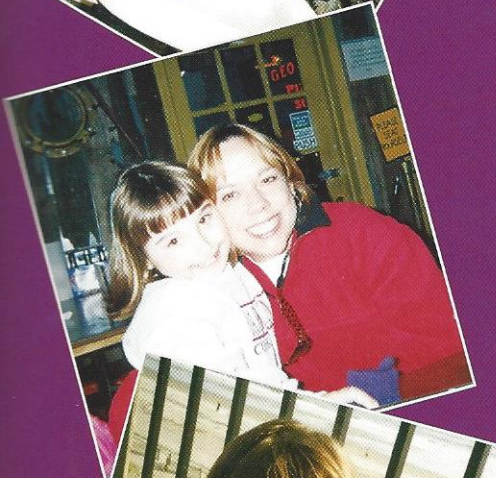

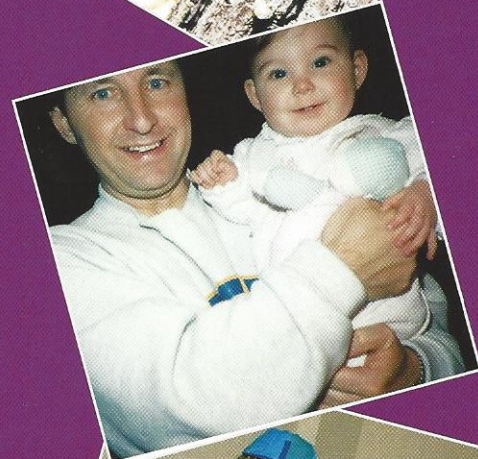

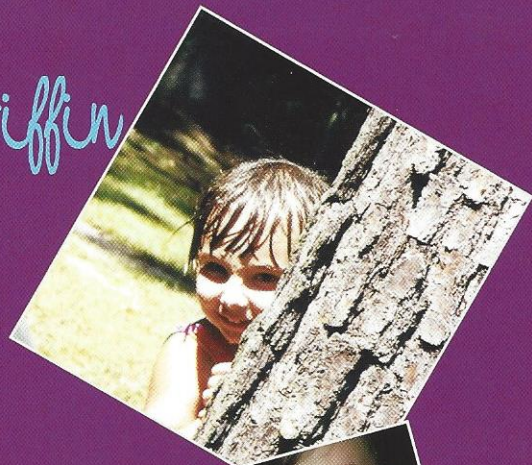

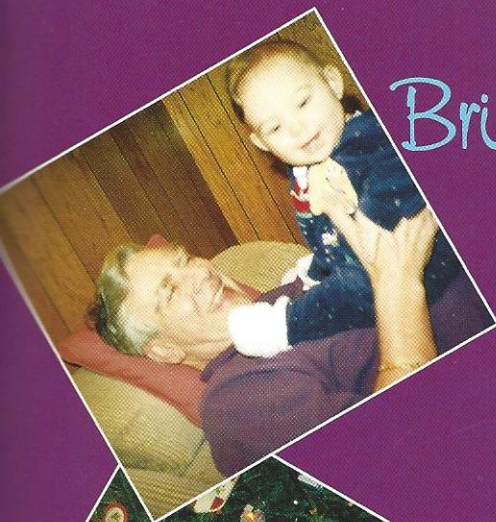

Oh my God, Brittany! My how time flies! It seems like only yesterday that I found you climbing trees in the backyard and now you are getting ready to drive your Toyota off to Furman University. By the way... Congratulations on that achievement! I have been told only the best and the brightest are accepted there! Nevertheless, it is all "bittersweet". I am so proud of your acceptance and at the same time I am overwhelmed with sadness because I know you will be leaving me. I know it is time for the little bird to leave the nest and spread her wings. You have more than surpassed all my expectations! Now it is time to go out and fulfill all of your dreams! The world is your oyster! You are the best daughter a father could ever wish for! I am so proud!

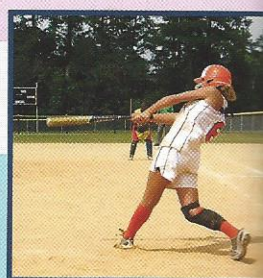

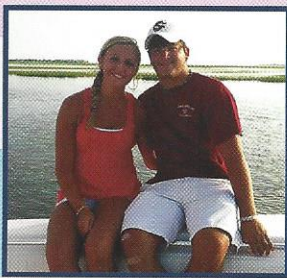

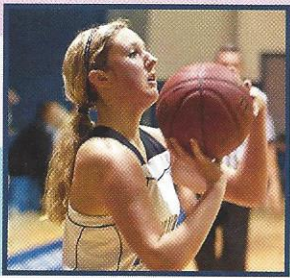

I Love you so much!
Your Daddy

Britt,
From the day you entered our lives you filled our hearts and souls with the love of a grandchild which is like no other love! Your Big and I were so blessed to be able to share in your childhood and to watch you grow into the young lady you are today. I have been blessed with many more years than he, but you know you were the apple of his eye and he loved you dearly.

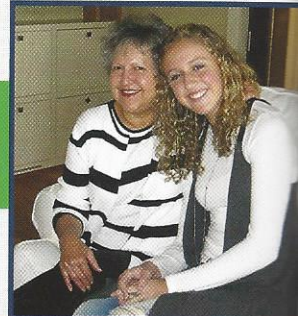

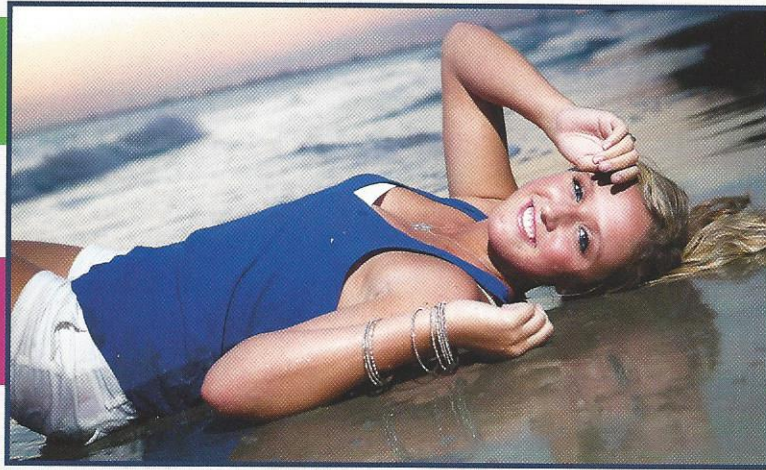

As you leave CPA we celebrate your accomplishments with great pride. You know yourself and aren't afraid to be that person. You have set many goals for yourself which I have no doubt you will obtain. My wish for you as you embark on the next phase of your life's journey is that you embrace each new day with love, hope and joy! Keep making wonderful memories. Thanks for all the sweet ones you leave us with!!!

Love you so much!
Nanny

Courtney Paige Kramer

Courtney,
There are so many things we want to say to you as you graduate this year, yet not enough pages or great enough words to convey our feelings. But we must share this with you.

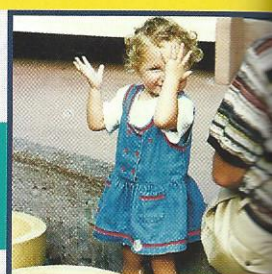

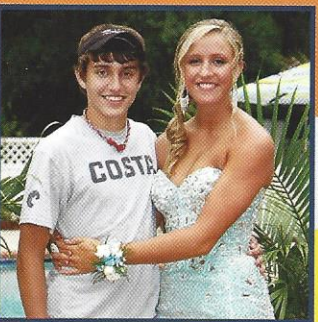

As a little girl you would start each day (bright and early I might add) by asking me "What are we going to do today?" It's time now for you to ask yourself that question each and every day. And I know from watching you grow and mature over these last 4 years that you are ready and will answer this wisely, creating a wonderful future for yourself and many sweet memories. I look forward to calling you each day to find out what you are going to do today, Courtney Pooh Bear!

We are so proud of you and your accomplishments, always holding yourself to a higher standard and pushing yourself harder than we ever could. This attribute will take you far in life, but we want you to remember to take time to have fun along the way.

You always want to be able to say "Remember when", not "What if".

Your dad, Scott and I will miss you so much. But we are only a phone call or text away! (Remember Girls' State. I promise I won't face time you. LOL!) We will always be there for you, anytime, day or night!

Love you to the moon and back!!
Mom, Dad, and Scott

Kendall Tate Jumper

On December 28, 1994, God blessed us with a beautiful Christmas Angel, a bright blue eyed baby girl - Kendall Tate Jumper. You are the sunshine of our day and the shining star of our night. The memories that we have made will never be forgotten. Our lives have been so enriched while following you throughout the little birthday parties, to dance, to all your sporting endeavors and trying to keep up with you and Pop in the woods. He was always your best "sitter" making sure you did that math everyday even at the age of 2. You have touched so many people along the way .You are blessed with many wonderful attributes: beauty, integrity, loyalty, athleticism and intelligence but most of all determination. Since the day you were old enough to speak "I not" was your choice of words. As you have matured into the beautiful young lady that you have become - you continue to make the right choices in life with a determined gleam in your eye. Always remember, never settle for less - Do not follow where the path may lead. Go instead where there is no path, and leave a trail. Believe in yourself, the best times of your life are ahead. We are so proud of you and love you unconditionally. So World, we give you our amazing beautiful high-spirited daughter, Kendall. Remember to put God first in your life always for the road ahead will be filled with challenges, never settle for the least resistance. We love you with all our heart & soul.
Mom & Dad

Kendall,

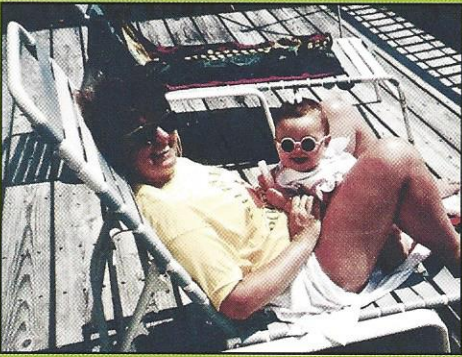

As we look at your senior pictures it is hard to believe that eighteen years have passed by so fast. It seems like yesterday that you were playing with your baby dolls and pine cone horses. Robbie, CC, Pop & I are so very proud of you and the accomplishments you have made and we look forward to your next journey after High School. We are so very proud of you and we love you to the moon and back.
G-mom, Pop, CC & Robbie

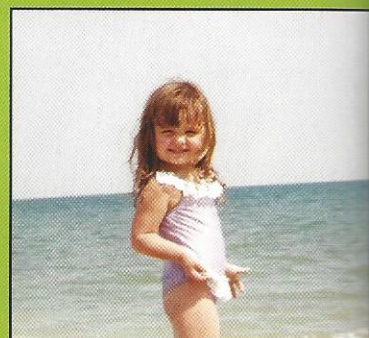

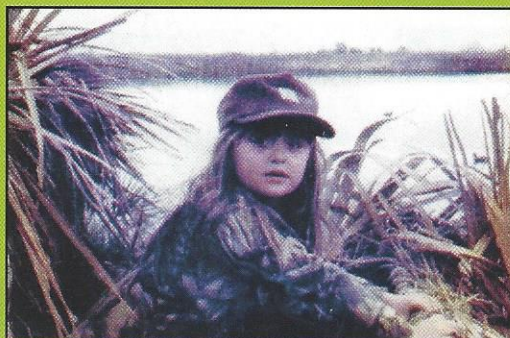

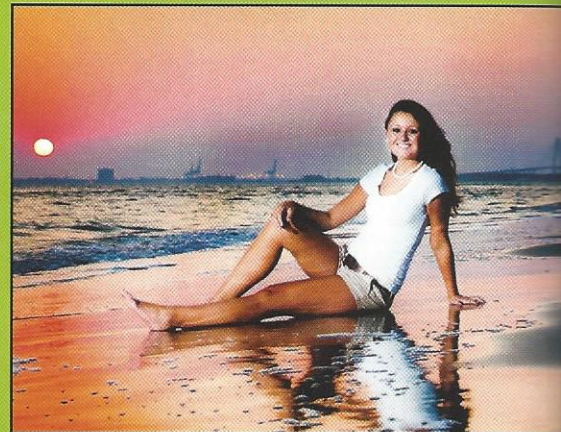

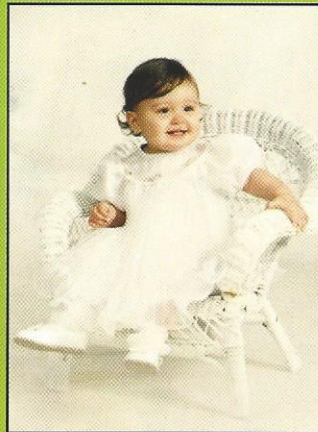

Jacqueline Crosby

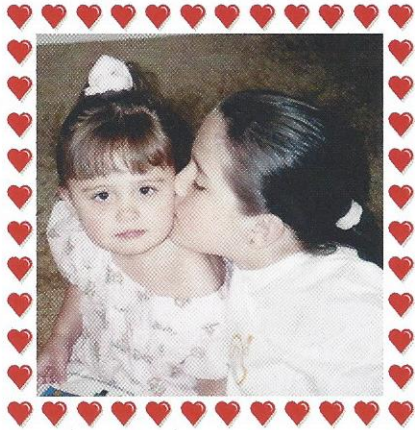

We can't believe time has passed so fast. You are our angel that God above gave to us. We will never forget the precious moments of the past 18 years. Daddy dressing you for hunting but Mom wanted lace, frills and bows. We haven't seen that in a while. We miss watching the best dancer of all. Rocking my pumpkin head to sleep every night singing, "Nighy nigh Jacqueline, let's go to sleep, Mommy's tired and Daddy's asleep". Now we are waving goodbye while you drive away. We are so proud to have such an intelligent, beautiful, confident, young woman in our lives. Know that whatever you decide to do in life, you will do well and we will always stand beside you.

Love,
Mom & Dad

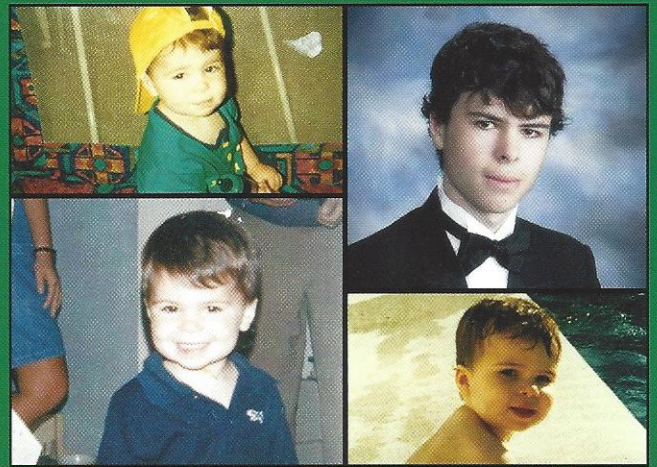

Jacqueline Crosby

There was a little girl years ago who prayed for a baby sister. She promised she would love, cherish, protect, and keep her safe. She promised no matter what she looked like or how she acted that she would always have a best friend and she would always be loved. Prayer is a wonderful thing, because without it I wouldn't have gotten the blessing of having you as my sister. God answered my prayer with perfection. He gave me a sister who is beautiful, smart, and talented. I wish you the best of luck and I promise I will always be waiting on you to come home, be proud of you, protect you, and always love you. Jacqueline, always remember during this path you are about to travel to always pray because God answers prayers! He gave me you! Sissy

Austin Farnsworth

We never had it easy. For many years it was just you & me. We played games, laughed, and just talked. We still do. I am very lucky to have such a special person like you in my life. Not only are you my son but you are my friend. We have always been there for each other, no matter what. No matter where life leads you, no matter what you do I will always be your biggest fan & always be here for you.

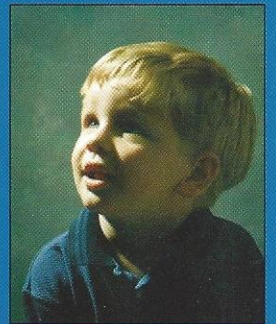

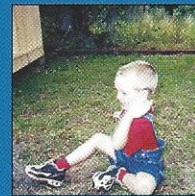

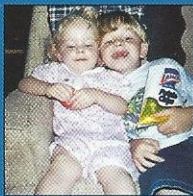

I am so proud of the man you have become, and for the warm giving heart you share with everyone you meet. I am so proud to call you my son!

I love you so very much,

LEE RILEY

Dear Lee,

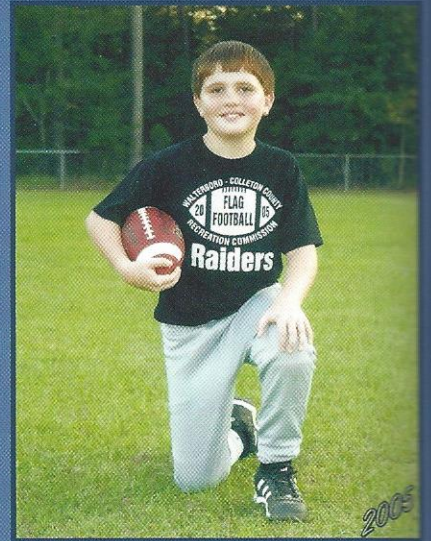

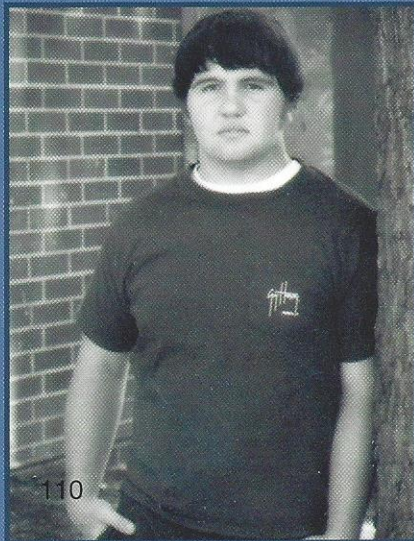

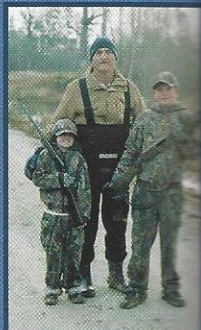

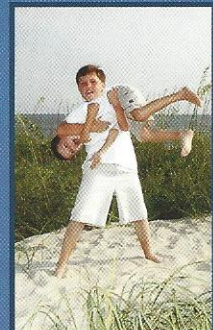

I really don't know where the time has gone. As I look at you today, words don't seem to be adequate to explain to you how I feel. From the first moment that your Dad and I saw you, we knew that this beautiful baby boy would grow into a handsome young man. There is not a time in your life that we have not been proud of who you have become. We watched you take your first step and we were there when you said your first word. As we watch you walk across the stage as you graduate from high school, we know that you will continue to make us proud.

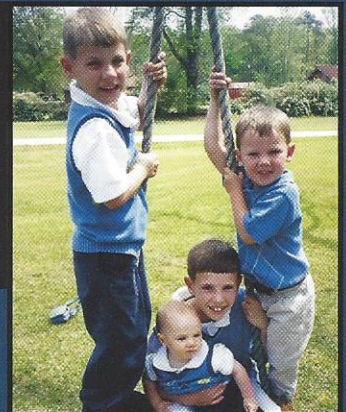

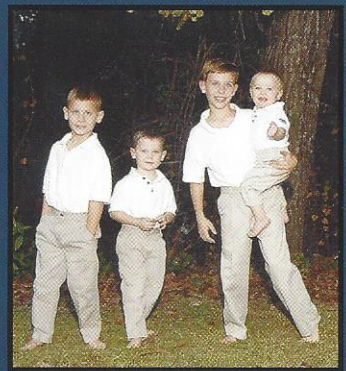

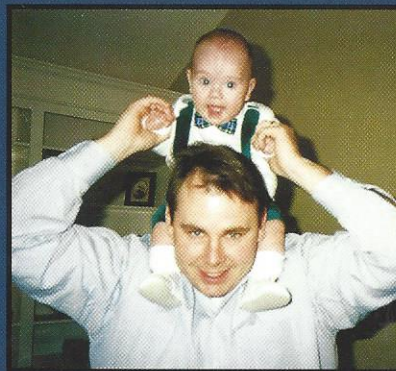

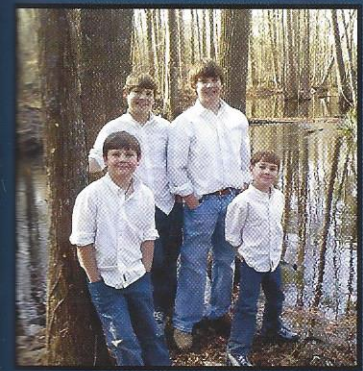

You are a leader and all leaders have great responsibility. As you make your way in this world, please remember to do the right thing and continue to be courageous. You have handled adversity with grace and dignity even when it wasn't the easiest path to take.

As your Mom, I have learned so much from you. I have learned the power of a tender heart as I have witnessed your quiet kindness to others all of your life. You attract friends wherever you go, and you are loyal to them.

Every day I cry a few tears as I get used to the idea of your moving on from our home, but at the same time, I am so excited for you to embrace this next phase of life. Have fun, work hard, and enjoy every single day. Your Dad and I are in your corner. I am your loudest cheerleader and proudest Mom.

We love you,
Mom and Dad

MATTHEW MURDAUGH

Dear Matthew,

For some time now I have dreaded the day that I would have to write this letter. Although we are very proud of you, it is so hard to believe that you are going to be leaving us to go away to college. It seems like just yesterday you were playing tee-ball. Now here you are completing your senior year. Matthew you have brought so much joy into our lives and we are proud of the young man you have become. Your witiness, carefree spirit, and loving heart have given us many fond memories that we will always cherish. As you complete one of the most important milestones in life remember your values, for they will lead to success. Always strive for the best. Be courageous through tough times not always taking the path less traveled because it seems less challenging. Set your goals high and pursue your dreams. Remember the importance of family and friends. Remember that YOUR family loves you, supports you, and wishes you the best that life has to offer. Most importantly remember to keep God in your heart.

With all my love,
Mom

Matt,

It seems like only yesterday that I stood at the bottom rung of the ladder and waited for you to climb safely into the deer stand. My arms braced tightly against ladder, I waited worried that you might misstep and come tumbling down. You were only seven then. Ten years and three brothers later, you're now seventeen and about to graduate from high school. I can honestly say that you have been a great role model for your younger brothers. One of the greatest joys of my life has been watching you grow into a young man. We have shared so many memories together including all the times I have coached you, the many hunting trips with you and your friends, the Carolina football games, the last minute science projects and the many sleep overs at the landing. I still can't figure out why you love that old white truck so much, but I will never forget the night we went to look at it and you would not let me leave Charleston without it. I hope you will remember these things as you move on with whatever life has in store for you: People are always more important than money. Be true to yourself. Don't lose your identity and become just another face in the crowd. Strive for success but do not fear failure. Always give something back to your community. Be respectful to others. Laugh as much as possible. Pray when you want to not just when you have to. Although you may not believe me now, graduation night will be an emotional night as you parade down the aisle at CPA one last time. Remember the words of Dr. Seuss, "Don't cry because it's over, smile because it happened."

Love,
Dad

Matt,

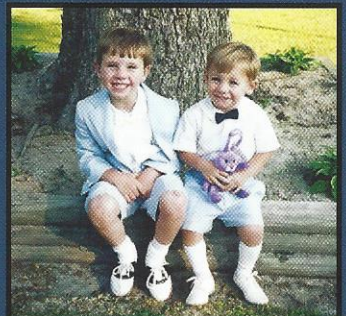

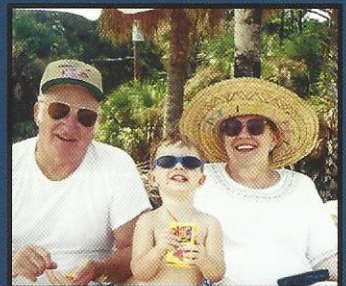

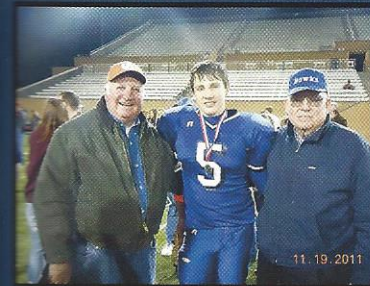

I will always remember the time you drove the four-wheeler into the fence and cut my eye. We had to walk back to Nana & Papa's and you carried me. Boy was I scared. So proud and sad to see you go off to college. Good Luck! - Jesse

Matt,

I will miss you and I'll never forget all the times you've beat me up. - Andrew

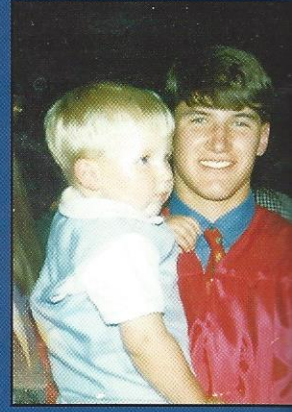

Matt,

It's hard to believe you are graduating. Who am I going to fight with now? Guess I'll have to take your place and become the big brother who beats up on everyone. I enjoyed watching you play your last year of football. Guess I'll have to take over for you there too. Being on the same team with you was a fun experience. I enjoyed all the laughs we have shared over the years. I'll miss having a chauffeur to take me everywhere, and the times we went hunting together. I hope you'll find time to come back and duck hunt with us. Maybe when you earn your degree you'll be able to repay all the money you owe me. It won't be the same around the house without hearing you yell, "Mom, what about GOB?" Good Luck! I'll miss you! - Brian (GOB)

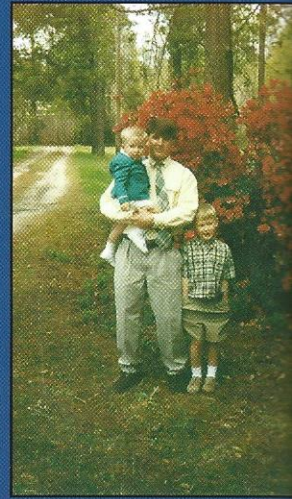

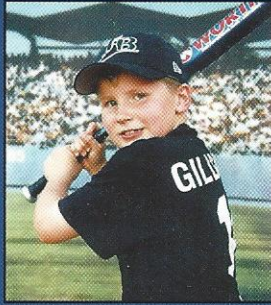

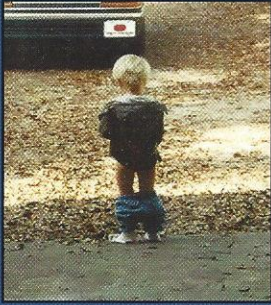

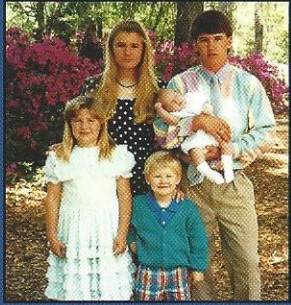

Heath Fisk

I know it has not been real easy for you these last few years, but you have never let anything get you down and it has shaped you into the most wonderful young man that you have become! Heath, you will never know how much we love you and how so very proud we are of you! You never complain and you are so positive about life and everyone you meet. You are the most awesome son that anyone could have asked for and we will always be there for you!

As you would say, we saved the best for last! My sweet son!

We Love you,

In Loving Memory of Allie Murdaugh

On July 26, 2012, our Colleton Prep family lost someone dear to our hearts. Allie Murdaugh was a fellow classmate, teammate, and most of all a friend. Allie touched the lives of everyone she met. She was a member of the volleyball team and cheerleading squad within her high school career at CPA. Allie was also a member of the National Honor Society and student government, she also served on the Talon her senior year.

Allie graduated from Colleton Prep in 2011 and made her way to the University of South Carolina in Columbia where she was a member of the ZTA sorority and majored in design. Allie had a strong passion for her family, friends, sun flowers, and the beach.

Allie's spontaneous and fun-loving spirit lives on in each of the lives she touched. To know Allie was to love Allie. Knowing that Allie is watching over us in heaven every single day, our Colleton Prep family is comforted. Allie will always be loved and will never be forgotten.

WE LOVE YOU!!

Congratulations to the Class of 2013
