

Marla Katherine Strickland

Seems like such a short time ago you became one of our greatest blessings in life. We knew we would be proud of you but had no idea at the time just how proud we would be of our little "MP". From your "you want a piece of this" days until now, your accomplishments have amazed us and we have stood in awe at your passion for doing whatever you believed in. You have grown into a beautiful and caring young lady who always stood up for what & who was right even though it might not have been the most popular thing to do. As you leave this stage of your life behind, we have no doubt you can accomplish anything you set your mind to. We are so proud of you & love you more than you could possibly know. Philippians 4:13. Congratulations and much love!
Love Always, Mom & Dad

I know Poppa is proud of you and is smiling down from Heaven each and every day. I will always be here for you and I wish you the best of luck in all of your future endeavors!
