

JOSHUA CRAVEN

Joshua,

It doesn't seem possible that the time is here for you to be graduating high school. It was just yesterday we were at baseball games and you were the little kid in front of the stands mimicking everything the catcher did. Nor does it seem that long ago, when you sat in the stands at football games with us on Friday nights and we talked about what was happening on the field. It amazed the people around us to hear this little kid that knew as much about football as some of them did.

We are proud of the young man you have become and all of the accomplishments that you have earned in scholastics, sports, and in just being a good person. We have seen that when you set your mind to accomplish something that you will do it. Our hope for you is that you will Dream Big and never settle. There is no goal that you can't obtain if you make up your mind to do it. The future will be whatever you make out of it and the only thing that can hold you back is you.

So whether you answer to "Squirt", "Cheddar", "Sheep Dog", Josh, or whatever new nickname comes your way, always remember that to us you will be "Son" and we love you.

Mom and Dad
