

DEDICATION

MR. PAYTON CROSBY

Every year the Talon staff dedicates the yearbook to a teacher that they believe deserves special recognition. This year, the choice was almost too easy. The 2017 Talon Staff has chosen to dedicate their volume to Mr. Payton Crosby.

Mr. Crosby, or Coach Payton as we all fondly call him, earned his BA in chemistry from Maryville College in 1978. Coach Payton has been teaching at Colleton Prep for four years. During those years he has taught Anatomy and Physiology, Chemistry, and Biology. Even though he has only taught here for a short time, he has been involved with the school through serving as the assistant football coach and by coaching basketball various years since 2001. Coach Payton truly loves teaching and watching his students excel in the classroom. He considers his students to be a top priority in his life. His vehicle can be seen at the school until the late hours of the night and on most weekends. We all appreciate how much time and effort Coach Payton puts into every lesson.

Coach Payton not only supports us in the classroom, but he can be seen at almost every single one of our sporting events, both home and away! Thank you for your dedication, commitment, and passion for teaching, it has helped us not only become better students, but better people. We are so fortunate to have Coach Payton in our Colleton Prep family!

WE LOVE YOU COACH PAYTON

Class of 2017
