

Brantley Austin Hudson

Well, that time is here that every parent feels so many emotions, from happy, sad, scared, proud and the list goes on. We have seen you grow over the years in so many ways. From your tender-heart, to always willing to help out, to your super smooth talking ways and we can't forget your awesome playing skills on the football field. You never meet a stranger and everyone is the same in your eyes. We are just as excited for your next step as you are! Follow what we have always told you...be safe, smart and aware of your surroundings...and you will continue to do great things and achieve all your goals and dreams. You will always have us behind you no matter what and you will always have Granddaddy watching over you. There will always be a place to come home to and you will always be our little "Superman."

We love you very much,
Dad, Mom and Hunter

Brantley, you have been such a happy, handsome, loving Grandson and filled both of our hearts with so much love and joy. You made both of us so proud to be your grandparents! I know you will accomplish all your goals and dreams!

Love Grandmom and your "Guardian Angel" Grandad

It's hard to believe it has been 18 years since that blue eyed, blonde haired, mischievous little boy stole our heart!! We are so proud of the person you have become and can't wait to see what great things are in your future! Never change & stay just the way you are!

We love you very much!
Aunt Tammy & Uncle Dwight

A senior, really, where has the time gone? Out of high school today and off to college tomorrow. Your life is just beginning and all we ask is that you never change who you are. You have a huge and kind heart, always full of life. You are always willing to lend a hand where needed and you keep family first. We love you and wish you the very best in everything you do.

Love, Poppa and Granny
