

Garrett Pascal Briaud

Garrett,
 From the very beginning you filled our home with love and laughter. It has been a joy to watch you grow from the little boy who loved science, math and computers. The last seventeen years have flown by and you are ready to leave the nest. It is with a heavy heart that we let you leave the shadow of our footsteps to make your own. You have a sweet spirit and have been given the gift of kindness and caring to those around you. You have been the perfect child. We are proud of your accomplishment as a student thus far and know that you will continue to achieve your goals. We are so proud and thankful for who you have become and look forward to seeing where your path will take you.

We Love You!!!
 Mom, Dad and Jade
