Natalye,  
It is hard to believe that you have grown from our little baby to the beautiful young woman you are today. You have really kept me going these past few years. We are so proud of your accomplishments. Always remember to hold your head high and pursue your dreams. Always remember that you are a very smart, beautiful, athletic and talented young woman. Just remember us when you are off to college.  
We love you very much,  
Granny & Papa

Dearest Natalye,  
There are no words to tell you how proud I am to be your Mom. You have grown into such a beautiful young lady. You have that great mix of a competitive spirit, but always with a kind heart. You were my little girl yesterday, my friend today, and my daughter forever. It's your time now to begin your journey into this big world full of uncertainties. Just go and be remarkable!  
I love you today and always,  
Mom

Natalye,  
I am so proud of you and I love you very much. I know that you will make the best of your future in college. Be happy in your choices. Congratulations and the best of luck in college.  
Love you,  
Daddy
