

Mr. R. A. Mobley
Superintendent, District Two

Mr. C. M. Padgett
County Superintendent of Education

Mr. M. H. Griffith, Assistant Principal, and Mr. A. M. Anderson, Principal
of Cottageville Schools,

Our administration, those who are responsible for the successful operation of the school, does its best to see that our education is liberal. Being ready and willing to hear the problems of students and teachers alike, the administration is truly the center of our school.
