

Highlights of Our School Days

These are some of the highlights of our high school days. First our junior class play . . . long hours of rehearsal, but a lot of fun and a big success . . . the Jr.-Sr. Dance held at the Fort Sumter Hotel with Hawaii as our theme . . . a lot of work but a wonderful time . . . the day for which we waited impatiently--the day our class rings arrived . . . High School at Carolina. These show just a few of the wonderful times we had, but there are many other memories that we will carry with us as we leave C.H.S.
