

in Our Memory

here at DAVIDSON this year—and hope that you will never forget it.

Pictures and words alone can not portray what DAVIDSON really is, but they can provide a vivid recollection of one's days on the Wildcat campus. You may remember the fever of getting down to work in the fall, rush week, football games, week-end trips, reviews, holidays, exams, Mid-Winters, chapel periods, the faculty, elections, intramurals, bull sessions, etc.; but we want you to remember more. We want you to remember the underlying spirit and meaning of DAVIDSON, and we hope that these words and pictures will bring back these remembrances.

Friendships and associations created here on the campus with students as well as faculty members will mean a great deal to all of us in future years, so let us keep these names and faces forever in our memories. DAVIDSON—remember it and keep it close to your hearts . . .
