The Publications Board is empowered by the Student Body Constitution to "have complete supervision over the financial administration of the three student publications."

With this power and working under the guidance of the faculty publications committee, it appoints the business managers of QUIPS AND CRANKS, *The Davidsonian*, and *Scripts 'n Pranks*. These business managers are directly responsible to the Publications Board, and at the beginning of each year they must submit a planned budget, upon which their publications are to be run.
