

THE FOOTBALL BAND

PROF. JAMES C. PFOHL
Director of Music

The football band composed of approximately 80 men was the first musical organization to swing into action this year. They made trips with the football team to Greensboro for the N. C. State game and to Lexington, Va., for the Washington and Lee game; as well as performing at all the home games. Led by Drum Major E. Phillips, the band attracted much favorable comment by its intricate maneuvers. An example of this was the comment by the Commandant of The Citadel stating that the Davidson band was one of the best musical organizations of this type he had ever seen in action. Of particular interest this year were the fireworks displays that the band presented at our two night games here on the campus. The accuracy and the ease with which the band performs are due to the efficient tutelage of Prof. Pfohl and Manager Dave Huffines.
