

In the second meet of the season the Cats weren't quite so fortunate as they bowed to V. P. I. This meet was two days after spring vacation and probably much of the blame can be turned to the fact of too much lay-off during this time. Even so there were several standouts. Taylor came through with firsts in both the low and high hurdles, while Ben Lacy, Rufus Nimmons, and Dave Spencer each had two second places apiece. The cinder-men should come through the remainder of the season with flying colors. Meets to follow are with Furman, Presbyterian, N. C. State and the Southern Conference Meet. Of the conference foes, State will probably prove to be the toughest.

Coach Whittle has found it hard to pick the fastest men in the hurdles and sprint events. Capable men for these events are Bill and Ben Lacy, Hugh Sprunt, Dick Port, Arch Taylor, and Captain Blanton Williamson. Running a consistent 440 has been Bill Loy. Nimmons and John Belk are the best bet in the 880, Nimmons and White in the mile, and Parks and White in the two mile. In the field events are Spencer, Belk, Williams, O'Hair, Shannon, Bill Lacy, Dabney, and Williamson; while Terrel and Freeze compose the weight division. It will be hard to predict the status of the track team for Davidson next year as seven of this year's team are graduating. They are Captain Williamson, Taylor, Shannon, Spencer, Terrel, Freeze, and Coppedge. In the Cats' last few meets they defeated Furman, 96 to 30, and Presbyterian College, 66 to 60. In the final meet they defeated N. C. State, 79 to 47, with Arch Taylor breaking the school hurdle records.
