

This year's nine is an unusually heavy hitting team. Up to date, Dave Maloney is leading the hitters, followed closely by Jack Clark, Bobby Carter, and Dickie Phillips. Maloney bats in the clean-up spot. Afield the Cats even outshine their hitting. In their only three games to date the Cats have played errorless ball, and only a couple of wild throws mar the record. With a team of this calibre, the Davidson nine seems surely destined for victories in most of their remaining contests.

With the pitching of Lucas and Morris, and the hitting of Maloney, Carter and company the Wildcats will be hard to beat. Probably the toughest of their remaining games will be with Duke's powerful Blue Devils.

Graduation will take six lettermen from the squad; however the prospects for next year seem fairly bright. Those seniors who will receive their "sheep skins" are Bob Carter, Jim Owens, Sid Daffin, Jack Clark, Mac Morris, and Ed Lucas.
