

TENNIS

The Wildcat tennis team of 1942 has shown up fairly well in their matches to date with two wins against three defeats. In the season's opener the racqueteers traveled to Charlotte to meet the strong Kalamazoo team. In this meet the Cats failed to win a single match. For the next matches, the Cats journeyed southward and played against Georgia Evening College, Stetson, and the University of Florida. They were able to triumph over only Florida by a score of 4 to 3. Making the trip were Captain John Crichton, Craig Schmidt, Lyman Parrigin, Buck Archer, and Gene Sutton.

In their next meet the Wildcats downed Lenoir Rhyne College 4 to 3. In this meet the players showed vast improvement and seemed determined to win the remainder of their matches. Mac Bruce, a newcomer to the team, showed up exceptionally well in his first match. Leading the race for individual honors is Buck Archer, who has won three matches and lost two. Second is Gene Sutton with two wins and three defeats. Archer and Sutton have also been playing the best doubles.
