

GOLF

The Davidson Golfers began the '42 season with only one letterman returning—Captain Pete Cavert. Qualifying rounds were played and those to qualify other than Cavert were Tom Bumbarger, Charlie Upchurch, Frank Mebane, and Bob Gaither. The regular team was composed of Bumbarger, Cavert, Upchurch, and Mebane with Gaither acting as alternate.

To date the Cat golfers have played only four matches—three on their southern tour. Of these they were victorious in only one match—with the University of Florida, which they won by the score of $9\frac{1}{2}$ to $8\frac{1}{2}$. Losses on the tour were to The Citadel and the University of Georgia by the score of $12\frac{1}{2}$ to $5\frac{1}{2}$ and 17 to 1, respectively. Bumbarger has shot the best score so far for the Cats, with Cavert close on his heels. Hopes are for the team to place in the Southern Intercollegiate Tourney which is to be held on May 9.

PETE CAVERT

Prospects for next year's Wildcat golfers should be considerably brighter than this year. Each of the five team members will return. Cavert and Mebane are juniors; Bumbarger, Gaither and Upchurch, sophomores.
