

SOCCER

Soccer is both a varsity and freshman sport on the Davidson campus and is rated as a minor sport, although its participants receive varsity awards. The 1941 soccer squad, under the leadership of Captain and Coach Tom Brown, showed up exceptionally well considering the tough opposition. Its winning games were over the University of Virginia twice, and ties with Duke University and High Point Y. M. C. A. Its most impressive showing of the year was the tie with the Dukes. Playing probably the most consistent ball and also the best were John Talmage, Bernice Turnage, Chester Pierce, Bob Sleet, and Captain Brown. The point makers were usually Brown, Pierce, and Talmage. Most outstanding on defense was Pierce. These are all seniors and their loss to the team will be greatly felt next year. However, several experienced lettermen will return. Among these lettermen returning are coach and Captain-elect Preston Oliver, Ray Preston, and Ernie Webster. Hopes are for several good freshmen.
