

at Davidson

while for the Saturday night informal the "D" Club presented the figure led by President Ed Lucas followed by each sports captain and other senior members of the club.

Fourth and final Pan-Hellenic Set for this year was Spring Frolics held the week-end before May Day. The Council presented a new dance feature at this set on Saturday night, which consisted of a battle of bands—both on the stage at the same time—between Johnny Satterfield and Hurst Hatch and their bands. Each and every one of these sets was enjoyed to the fullest by all that attended, and it is hoped that the standards set by our dances this year can be continued in the years to come.

At press time a move was on foot to have a Senior Dance during the week-end of graduation.
