

## AT THE S. A. E. HOUSE

Sigma Alpha Epsilon opened the year with the rushing season, details being planned by Brothers Ed Lucas and John Crichton. We managed to pledge twenty-two men, and Brother Jack Lucas was later elected president of his pledge class. Soon our minds were turned from rushing by the opening of the football season since we had eight varsity players on the field, Brother Caldwell, captain of the team, Faison, Smith, Moore, Bethea, Hunt, Hackney, and Bruce. Suddenly it was Homecoming and under the directions of Brother Hackney we finally got our decorations up. The dances, starring Brother Ed Lucas, Pan-Hellenic representative, and Brother John Crichton, E. A. of the chapter, were fine.

Soon attention was back to sports when we won the interfraternity football matches inspired by the kangaroo leaps of Brother "Barber" McLeod to catch the passes from Brother Charlie Wills. Then came more dancing in the form

of our pledge function at the Charlotte Country Club with Brother Hackney acting as toastmaster. Basketball next took the spotlight when S. A. E. was represented on both varsity and freshmen teams by Brothers Lucas, McLeod, Bruce, Hudson, and Taylor. Then Christmas; then exams, which we somehow managed to get through. Then Mid-Winters with Brothers Lucas and Sprunt in the figure and Brother McGeachy doing a good job as Eminent Supreme Janitor. Soon came initiation, after the usual period of pledge training starring Devotie's dog, and our Founder's Day Banquet, at which Brother Tommy Powell was presented the cup for being the best all-round freshman. The rest of the year passed in a blur of color and excitement with the election of Brother Ed Erwin as editor of *The Davidsonian*, with dances, with the trying on of new army uniforms by our six R. O. T. C. seniors, with goodbyes and final handshakes in the bonds.
