One day in the fall and again in the spring, Omicron Delta Kappa selects in an impressive ceremony, those men who have fulfilled its primary requisite of leadership. The purpose of the fraternity is to enhance progressive action. O. D. K. was established at Washington and Lee University in 1914 for the purpose of recognizing the qualities of leadership among college men. This fraternity does more than just recognize leadership here on the campus; it is an organization for the purpose of discovering, and discussing problems that confront students during their life on the campus, and try to formulate plans and devices for the purpose of aiding every student in a better understanding of Davidson.
