

Dedication

Mrs. Judith Wagers

There has been someone in Dorchester Academy's history who has shown a deep sense of loyalty and concern for this institution. She has cheerfully and unselfishly given of her time and ability, and has taken an active part in school activities. She has served faithfully and efficiently as secretary to the school for the past ten years. To show our gratitude to her, we, the Challenger Staff dedicate our 1982 Challenger to MRS. JUDITH WAGERS.
