FOR Your Financial Needs

Westvaco

That's right! Westvaco will pay top dollar for your timber! We'll harvest it while respecting your rights as a landowner. Hopefully, you will want to reforest for your future financial needs and enjoyment. If you do, we'll give you free seedlings to replace the trees we harvest. You also may be interested in long-range planning through our Cooperative Forest Management Program (CFM). For More Information Call or Write:

WESTVACO
P.O. Box 717
St. George, SC 29477
Phone (803) 563-2383
