County Council

George Knight

Brian,
Well, it's hard to believe we will graduate next month. We have had some fun times this past year, especially in Mr. Watford's class. You are a very sweet person with a terrific personality. You are a special person too me and I can never thank you enough for all the help you have given me in French. Don't forget me next year. Stay sweet and keep in touch. I am sure you will go far

in life.

Love ya,
Theresa
