

In Memoriam

Kenneth H. Westbury
August 9, 1965-August 5, 1983

The shock is still with us. In August, we all lost a dear friend and fellow "Raider" in a tragic accident. To remember him now is to think of football and that "Number 10", our all-conference and all-star player. He is deeply missed by all who knew him; but, in our hearts, we still feel his presence. The memories remain to comfort us in times of pain. To Ken we say, "We'll never forget you. Your memory will linger with us forever."
