

# Miss D.A. Shelby Baker

The evening was filled with excitement and nervousness as the contestants prepared for their first walk down the runway. Hair was curled perfectly, lipstick was put on, and the girls were off. From the moment they walked on the stage, everyone, especially the judges, knew the decision was going to be difficult.

The girls were judged in sportswear and evening gown categories. Although all the girls were beautiful, there could be only one winner. Shelby Baker, a junior, was crowned "Miss Dorchester Academy 1984."
