

Junior Miss D.A. Tracy Baker

Dorchester Academy is fortunate enough to have beauty throughout the school as was evident not only in the Miss D.A. Pageant but also in the Junior Miss D.A. Pageant. Seventeen contestants were vying for the title. All seventeen of them were worthy holders but, as always, a decision had to be made.

The morning of the contest, the girls, clad in hair curlers and blue jeans, arrived for practice. Several hours later the contestants were hearing the applause as each of them walked down the runway. The envelope was then handed to the emcee. Tracy Baker was announced "Junior Miss Dorchester Academy."
