

HAVE U HEARD

With every new year there is a brand new batch of seniors, new academic challenges, and the strive to achieve excellence in the classroom as well as on the playing field. However, there is one thing that has and will always remain the same here at Dorchester Academy — communication. We can all say that conversation is definitely a continuous part of our school day. Friendships, dating, teachers, grades, sports, and weekend fun are all subjects associated with the talk that can be heard throughout the halls, throughout each day. A new week brings many topics that become the center of conversation between all students. This is our link, our bond, what seems to make this school so close. By the way, **“Have you Heard . . . ?”**

Recess is the best time of the day for these two girls.

Our hall is the most popular place to socialize.

This is the place where it all starts.
