## Summer Fun

We all love those summer days. Sleeping in late and watching T.V. were only a small part of what those sunny months held. Students here at Dorchester Academy enjoyed the summer filled with excitement, adventures, and good times. For many, vacations included trips to the beach, the lake, even Disney World. No matter what the preference was for summer activities, everyone agreed the summer was great and the memories we made will last forever. 29

Holly spent a week competing in Jr. Miss S.C.

Caroline visited Puerto Vallarto, Mexico with her cousin.
