

Trish Riser

We're taking the time to say
How proud we are of Trish, in her very own way . . .
It is nice to know how well you've done
We wouldn't trade you for any one . . .
Good Luck to you, as you journey ahead
To find your place in this world . . .
Always remember to be a sweet and caring girl . . .
May God Bless YOU.

We Love You!!!
