

Renee

- R — remembering each day — you are making the memories today for tomorrow.
- E — eager for the future full of surprises and excitement.
- N — never forget how much you are loved.
- E — every time we see your pretty face all the memories of you as a little girl, a teenager and now a young lady flash before our faces.
- E — effects on your life are being made right now so live life to the fullest, reach for the stars and know we are always here for you.

We love you and wish you happiness, success and lots of love.

We love you,
Daddy & Brenda
