

Congratulations...

***to our dear sweet
JESSICA,***

The time has come...a milestone has been reached. We look at the beautiful young woman that you have become and wonder where the years have gone.

*Remembering the times that I held you close to my heart, rocking you back to sleep at o'dark thirty....
thanking the good Lord above for the tiny, precious blessing He had sent.*

We pray that He will guide you as you walk life's pathway, keeping Him in your heart always. We love you so very much.

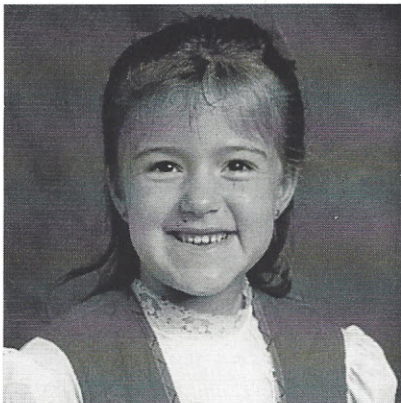

**Always and Forever,
Moma and Pop**

**Congratulations

*I looked up to you then....
when we were just little
girls having fun.
Even now, though today
I'm taller than you....
I still look up to you.*

**I love you Big Sister.
Always Ashley**
