

Courtney,

I know that we fight a lot but it is usually over something pretty stupid. Like me forgetting to ask if I could wear something of yours or who's turn it was to clean up. Over the last few years though, we've become really close. I feel like I can tell you anything. It's like you are one of my best friends. I am really going to miss that while you are at college but I know that I will still have time with you. Since we are sisters, I know we will never be beyond a phone call away. I love you Courtney.

**CONGRATULATIONS
AND GOOD LUCK!**

Love Always,
Mandie
