

Bobby,

Our grandson, who's been an inspiration in our lives. We wish you the best in your future. Put God first, all other things will fall in place. You're the most loving, thoughtful, affectionate, mannerly young man we've ever known.

I, Granny, have great memories, of picking you up as a baby after work, and holding you all the way home. Playing Pee Wee Herman tricks, Granddad and I bringing you the big bull Frog and him getting loose in the car. Granddad says his memories are of fixing trucks, sea doo's and all the special Hugs and Kisses you shared with us.

Congratulations for a job well Done — Thanks for sharing your life with us.

Love you with all of our heart,
Granddad and Granny
