

CONGRATULATIONS SENIORS!

To the class of 99,

We have all shared some wonderful memories together that I will always treasure. Our 1st class meeting! The Hayride— “I really miss my Crissy,” the crept keeper, noodles, 9-10 the devil’s back again, and of course “HAPPY!” All of our dances — putting up streamers, writing on the wall with chalk and not bringing enough food and drinks! The PROM-decorating, the flood we had to clean, our ceiling, and the hut! All of our “raffles”— our raffle tickets that “some people” didn’t like, and the tickets that some of us lost. My favorite “Field of Dreams!” I could never write all of our memories or tell how much each of you mean to me, I just want you all to know that I am so proud to be part of your class. I hope that this SENIOR year means as much to you as it does to me and you will always treasure it the way I will. I love each of you very much! Let’s go to Jamaica and have a wonderful night!!

Love Always and Forever,
Maggi Mae Murray
