

To our Graduate Max,

Congratulations!

When you were first born, your mother and I knew we were blessed with a very special son. Now that seventeen years have passed, faster than we could ever imagine, you have grown into a very fine young man. The only thing that has grown bigger or faster, is our love for you! This is such a special time in your life, and we are so proud of you.

Your life is just beginning, many challenges await you. Be confident that you can overcome any obstacle that may confront you. Always know that we love you so much, no matter what!

Love,
Mom, Dad and Chris
