

“There is only one happiness in life, to love and to be loved.”

Kris,

Words can't express how much you mean to me, and how much joy and happiness you have brought into my life. We've been together for almost three years now, and we've had our good times and our bad times throughout these years, but they have only brought us closer together. There are so many memories that we have, and so many I will never forget. You are a handsome and intelligent young man, and I am so proud of who you are. I'm really going to miss you next year. I love you so much!

Congratulations!

Love Always and Forever,
Jessica
