

Congratulations

Bubba

Willie, We have had our good times and bad times, but over the years as we grew older our relationship has grown stronger and stronger. I couldn't have a better brother than you. I'm so proud of you! Good luck and best wishes in all you do. I'll be right behind you every step of the way. Just remember that your big sister knows best. Listen to my great advice when I give it to you. I Love You Bubba!!

Love, Bridget
