

Robert,

Congratulations on your graduation. You are a very special young man. Uncle Jr and I feel our lives have been blessed by being a part of your family. It is really neat to have you for a nephew and a friend. You have come a long way from that little Boy that said to his momma **“Get me Out of this buggy woman,”** to a very handsome young man. Always remember to put your faith in God and ask for His guidance in all that you do. Remember we love you and are very proud of you.

Love,
Uncle Jr and Aunt Pansy
