

Maggi,

Where has time gone? It seems like just yesterday you found a cooked fly in your food on our first date. How about the dock at Budda's, our first kiss, riding four-wheelers, or just going out with EJ and "D." We've had a blast. Now you are getting ready for college. That is hard to believe. Remember to set your goals high and keep that "I know I can do it" attitude. I love you and wish you the very best in everything that you do. Don't forget that you will always be my LSG.

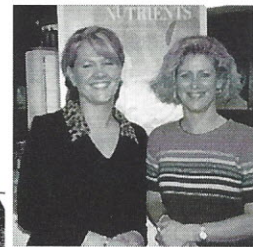

Love Always,
Earl

Congratulations Mindy!

Congratulations, I knew you could do it. As you move on to open a new chapter in your life, set your goals high and only strive to be the best you can be. I know you can do it. I'll be behind you 100%. If you ever need anything I'm only a phone call away. I'll miss you!
Love,
Brady
