

2000 Challenger Dedication

Mrs. Laney Taylor

There are many outstanding people who support our school and we choose one of the best to have the honor of having this annual dedicated to her. She has helped students at Dorchester Academy as a fine teacher and a friend who will do her best to be there for you. This outstanding woman helps out where ever she is needed with care and dedication. Dorchester Academy has been helped with her support for its academics, athletics, fundraisers, and beyond. Two classes, including the Class of 2000, have been helped tremendously by her giving up much of her time in their last year of high school to sponsor them and guide them to meet their goals as a class. This year we are proud to dedicate the 2000 Challenger to Mrs. Laney Taylor.
