

Heather,
Congratulations!! You have been a great sister.
Have fun in college next year. You will be
deeply missed. Looks like I got away from
standing up for this year. I told you I would.
Love Always,
Hillary (Hilly)
P.S. There's just one thing I need to know,
can I have your room?!!

Heather,
On March 25, 1982, God blessed us with a beautiful baby girl. The next day, the nurse brought you in the room, put you in my arms and handed me a bottle. Being a new mother, I said, "What do I do?" Eighteen years later, when you come to me with one of your problems, I still say, "What do I do?"
This past year you have had your share of trials and tribulations. These times have helped you grow stronger and mature into a wonderful young woman. They also brought us closer together.
We are very proud of you and your accomplishments thus far. We hope and pray that God will guide and direct you into the most rewarding future possible. Remember, "I can do all things through Christ who strengthens me."
Even though Mema and Poppa are in heaven with Uncle Rhett, I know they are smiling down upon you and are very proud of their Granddaughter. If Poppa were here, he would say, "My...what a pretty girl!"
Best Wishes & Congratulations
We Love You, Mom and Dad
