

Phillip,

Words can't describe the richness that you have added to our lives. You have truly been a blessing! From the moment that we first held you, you became a cherished member of our family. Your pleasant demeanor and numerous accomplishments have brought us such joy and pride throughout these eighteen years. While it will be difficult to see you leave next year, we realize that you must do so in order to establish your own path. We wish you success and fulfillment in every aspect of your life. We will always love you.

Pop, Granny, & Cathy

You can be anything you want to be!
