

*From the beginning
there was something about Natalie.*

*Year by year from "George Jefferson" days
to "Be Cute Natalie" months, to "Cuppy" times
through "Nat Brat" years to the beautiful young lady
that is Natalie Dawn Judy.*

*To say that I am very proud of all your accomplishments is
a gross understatement. In fact, there are too many to list.
However, it is not these accomplishments, important as
they are, that makes me the proudest.*

*It is the blessing you have given to each of us,
those who know and love you. Your thoughtfulness and
genuine care for others are very much apparent and felt.
You are beautiful on the inside and out.*

*I know this is only the beginning of your adult life...
but if what you've done for me and everyone that knows you
is any indication of what is to come...
I'll just hold on for the ride.*

*Congratulations on your graduation and remember
you will always be "Daddy's Little Girl".*

*I Love you,
Dad.*
