

On 9-3-82 God blessed us with a beautiful baby girl. You were just so perfect in every way.

As you began to talk you pronounced your name as Bissy. Then your friends changed it to E.J. But to us you will always be Elizabeth.

Time has gone by so fast watching you compete and take all the challenges of your school years with pride.

After graduation, the challenges of adult life begin. At this time strive as you have in the past and there should be no limits of what you can achieve now or in the future.

We Love You,
Dad and Mom
