

Congratulations and best wishes in whatever you do.
Love,
Heath, Nancy, and Austin

Congratulations and best wishes.
We're proud of you.
Love,
Keith and Shelby

Tamara,

These are just a few words of congratulations for your hard work and dedication. After twin sons and nine years, you arrived and blessed us as our little girl. We are very proud of all your accomplishments throughout your young years. You have made raising a daughter a pleasure. Stick with the morals and standards that you have displayed in the past, and your future will be unlimited. God Bless You.

We love you,

Mom and Dad
