Adam,  
Where have the years gone? We are so very proud of you and all you have accomplished. Over the years we have watched you grow into a fine young man and develop a strong character. You have, for some time, had a good head on your shoulders and seem to know what you want for your future. Follow your goals and develop your dreams, just as you have planned, and you will be successful, as you and I expect. You are very capable. We wish you the best of luck in the future. Just remember this: There is one thing you should never forget, that is, we love you and will always be there for you.

Dad, Salley, and Rebecca
