

Remember . . .
 eating fry-fries?
 "selling pies" at Mrs. Rickborn's?
 making skid marks with your Big Wheel?
 birthday sleep-overs?
 taking Pap "behind the shed"?

Those days seem like only yesterday. The day you were born we were so proud of that sweet face with the bright eyes. We thought we loved you as much as anyone could love their child. Little did we know that each day you would give us many reasons to love you more. We've watched you mature into a wonderful handsome young man and are so proud of your many accomplishments. As you prepare to enter the next phase of your life we know in our hearts that the choices you make will be based on your love of church and family and your sense of right and wrong. Your intelligence, sense of humor, and kind heart will take you where ever you want to go and allow you to be everything you want to be. Brady, we wish for you much love, joy, and success. Keep smiling that beautiful smile. Remember, no matter where life leads you, all roads lead to home.

We love you!!!
