

Jennifer,  
 I knew this day would come, all to soon, Class of 2000 and a new millenium. It seems like only yesterday you and David were in overalls singing at your kindergarten graduation. I am so very proud of you and your accomplishments. There is nothing that you can't do if you put your mind to it. No obstacles are too large to overcome. You have proven that time and time again, always coming out on top. May this new challenge in your life bring you great joy and happiness. I know whatever path you choose, you will be a success. Set your goals high. Jennifer, You deserve the best, so don't settle for anything less. May all your dreams come true. I love you with all of my heart and I will always, always be here for you.

Mama
