

CONGRATULATIONS KEVIN,

You are such a special person! We have watched you grow, from a precious child, into a wonderful young man. We are so very proud of you. You are such a great source of inspiration to all of us. You have shown that you are a survivor and that miracles do still happen. Prayer is the key. Your belief in GOD and love of life and the determination to live, has gotten you where you are today.

May your life be filled with health, joy, happiness, and love in all that you do. High school may be ending, but, a new life is beginning. Enjoy and make the best of everyday. You are now on a journey that will take you to many places. Not all of them will be easy to start or to finish. But, as you know nothing is impossible!!!

PLEASE, remember to-

Choose to always be honest with yourself and with others.

Choose to be responsible: owning up to your own mistakes and failures, and resolve and not repeat them, but to learn from them.

Choose to be courageous: which involves choosing between right from wrong.

Choose to love and respect yourself and others and all else will follow.

Choose most of all to put GOD first and never settle for less than your VERY BEST!

WE LOVE YOU VERY MUCH, MOM, DAD & KEITH
